LEGISLATIVE COUNSEL'S DIGEST

AB 1764, as amended, Committee on Budget. ~~State teachers' retirement: appropriations~~ Resources.

(1) *The California Emergency Services Act requires the Director of the Office of Emergency Services to coordinate the emergency services of all state agencies in connection with a state or local emergency and requires the transferor or a person who is acting as an agent for a transferor of real property that is located within an area of potential flooding shown on an inundation map to disclose that fact to any prospective transferor of the property.*

This bill would require local governmental organizations, utilities, or other public or private owner of a dam to submit an inundation map that delineates potential flood zones that could result in the event of dam failure when the reservoir is at specified capacities and would require the Office of Emergency Services to review the maps to determine whether the maps meet the requirements of these provisions, as specified. The bill would also authorize counties to post a notice identifying the locations of inundation maps.

This bill would also require the office to designate areas within which death or personal injury would, in its determination, result from the partial or total failure of a dam. The bill would authorize the appropriate public safety agencies to adopt emergency procedures, as specified, for the evacuation and control of these areas and would require the office to review and make recommendations concerning the procedures.

(2) *Under existing law, the changes in the Implicit Price Deflator for State and Local Government Purchases of Goods and Services is used as the index to determine an annual rate of increase or decrease in the fees for hunting and fishing licenses, stamps, permits, and tags. Existing*

law establishes fees for lifetime sportsman's licenses, guide registration and licenses, hunting licenses, lifetime hunting or sport fishing licenses, wild pig tags, sport fishing ocean enhancement stamps, commercial fishing ocean enhancement validations, sport fishing licenses, abalone report cards, steelhead trout catch report-restoration cards, commercial fishing licenses, commercial boat registrations, and commercial passenger fishing boat licenses.

This bill would establish a new base fee for all of those activities for 2004, and would require those fees to be adjusted annually thereafter according to the index described above.

(3) Existing law establishes a resident sport ocean fishing license upgrade stamp and validation. Existing law establishes a fee for an owner or operator of a vessel with a commercial fishing salmon stamp.

This bill would repeal those provisions.

(4) Existing law sets forth provisions relating to the taking of striped bass in a sport fishery. Those provisions are repealed as of January 1, 2004.

This bill would instead establish provisions relating to sport fishing in the San Francisco Bay-Delta, including prohibiting a person from sport fishing in the San Francisco Bay and Delta unless he or she first obtains a Bay-Delta sport fishing enhancement stamp and affixes that stamp to a valid sport fishing license, except as specified. The bill would set a base fee for that stamp, which fee would be adjusted annually. The bill would provide that fees received for that stamp are to be deposited in a separate account in the Fish and Game Preservation Fund, and would require the Department of Fish and Game to use the funds in that account only for the purposes of the Bay-Delta Sport Fishing Enhancement Program, if that program is established by the Legislature. Those provisions would be repealed as of January 1, 2009.

Under existing law, violation of the Fish and Game Code is a misdemeanor. By changing the scope of a crime, the bill would impose a state-mandated local program.

(5) Existing law establishes fees for commercial fish business licenses, fish receiver's licenses, marine aquaria receiver's licenses, fisherman's retail licenses, fish processor's licenses, fish wholesaler's licenses, and fish importer's licenses.

This bill would increase the fees for those licenses.

(6) Under existing law, of the money collected from fees for lifetime sportsman's license, lifetime hunting licenses, and lifetime sport fishing licenses, \$20 is required to be deposited in the Fish and Game

Preservation Fund, and the remaining money into the Lifetime License Trust Account in that fund.

This bill would instead require that \$20 from the initial issuance of those licenses be deposited into the fund, and the remaining money into that account.

Under existing law, the department is required annually to transfer from that account to the fund a certain amount.

This bill would change the amount transferred from the account into the fund.

(7) Existing law imposes a registration and renewal fee on the owner of each aquaculture facility. Existing law imposes a surcharge on that fee is the gross annual sales of aquaculture products exceed a certain amount.

This bill would increase those fees and that surcharge.

(8) Existing law continuously appropriates money in the Fish and Game Preservation Fund to the Department of Fish and Game and the Fish and Game Commission to pay all necessary expenses incurred in carrying out the Fish and Game Code, and to pay the compensation and expenses of the commissioners and employees of the commission. Unless otherwise provided, all money collected under the code is deposited in the fund.

By imposing new duties on the department, and increasing revenues deposited in the fund, the bill would make an appropriation.

(9) Existing law authorizes the Director of Pesticide Regulation to adopt regulations and establish minimum requirements in connection with licenses and certificates pertaining to pesticides. Existing law also specifies various fees for and in connection with various licenses and certificates, including examinations for the same, renewals, late fees, and other charges in connection thereto.

This bill would instead, provide the director with authority to set these fees by regulation, as prescribed. The bill would provide that the fees collected would be deposited in the Department of Pesticide Regulation Fund, and would be available for expenditure by the department, upon appropriation, for the purposes of carrying out various specified pesticide licensing and certification programs. This bill would also make conforming changes to provisions of law in connection with the fees and charges to be set by regulation.

(10) Until July 1, 2004, existing law requires every registrant of a pesticide product to pay the Director of Pesticide Regulation an assessment of 17.5 mills per dollar of sales for all sales by that person

of registered pesticides for use in this state. Existing law provides that effective July 1, 2004, and thereafter, the mill assessment rate would be reduced to 9 mills per dollar of sales, for all sales of pesticide for use in this state. Existing law also provides that the director may lower the mill assessment rate, when in addition to other criteria, the director determines that revenues collected would result in a reserve amount greater than \$2.5 million.

This bill would provide that for all transactions on or after January 1, 2004, the rate would be set by regulations adopted by the director, but not to exceed 27 mills per dollar of sales. The bill would further provide that if the regulations are not adopted before a payment of the assessment is due, payment would be made at the rate of 17.5 mills and, upon adoption of the regulations, payment of any additional amount would be due and payable. This bill would delete the authority of the director to lower the mill assessment rate, when in addition to other criteria, the director determines that revenues collected would result in a reserve amount greater than \$2.5 million. This bill would provide that the regulations pertaining to the mill assessment rate are deemed emergency regulations, as specified. The bill would also, for transactions occurring on or after January 1, 2004, impose an additional fee of 18 mills on the sale of pesticides designated restrictive materials and, commencing July 1, 2004, an additional fee of 7.25 mills on the sale of pesticides generally, as specified.

(11) Existing law also provides that until July 1, 2004, an additional $\frac{3}{4}$ mill assessment may be collected, if necessary, to fund certain duties of the Department of Food and Agriculture, as specified. Existing law also provides for the deposit of these funds and their use, upon appropriation by the Legislature for specified purposes. Existing law provides for the repeal of these provisions on July 1, 2004.

This bill would extend the operation of these provisions indefinitely, by deleting the repeal provisions.

(12) Existing law establishes the Department of Pesticide Regulation and charges it with various duties.

This bill would require the department to create a program to conduct outreach and education for worker safety, environmental safety, school safety, and proper pesticide handling and use, as specified.

(13) Under existing law, the Seismic Safety Commission is charged with reporting annually to the Governor and to the Legislature on its findings, progress, and recommendations relating to earthquake hazard reduction.

This bill would create the Seismic Safety Account and would, until July 1, 2007, allow the Legislature to appropriate money in this account for specified purposes. It would require the department to impose an annual assessment on insurers for these purposes, and would allow insurers to recover the amount of this assessment in an equitable fashion from insureds. The bill would require the department to report annually to the Legislature, the commission, and the Department of Finance on the assessment calculation methodology employed.

The bill would provide that, under certain circumstances, the Insurance Fund may loan funds to the Seismic Safety Account, as specified, and would require that any loan be repaid from the assessment described above.

(14) Under existing law, the State Board of Forestry and Fire Protection is required to classify all lands within the state for the purpose of determining areas in which the financial responsibility of preventing and suppressing fires is primarily the responsibility of the state. The prevention and suppression of fires in areas that are not so classified is primarily the responsibility of local or federal agencies.

This bill would impose an annual state responsibility area fire protection benefit fee on each parcel of land located, in whole or in part, within state responsibility areas, except on specified parcels. The bill would provide a fee amount for each parcel. The bill would specify the fees to be imposed for the 2003–04 and 2004–05 fiscal years.

The bill would require counties to collect the fees, as prescribed, thereby imposing a state-mandated local program, and would authorize the counties to increase the benefit fees collected, in an amount to cover their reasonable costs in collecting the fees.

The bill would create the State Responsibility Area Fire Protection Fund and would require the benefit fees collected to be deposited in the fund, to be available, upon appropriation by the Legislature, for fire prevention and suppression services by the Department of Forestry and Fire Protection.

The bill would require the Director of Forestry and Fire Protection, in consultation with specified entities, to convene a stakeholder group to evaluate the method by which fire protection and suppression services in state responsibility areas are provided, and to make a specified report to the Legislature on or before January 10, 2006.

(15) The existing Timber Yield Tax Law imposes a tax on timber owners with respect to the harvesting of timber or felled or downed timber at specified rates. The Z'berg-Nejedly Forest Practice Act of

1973 generally prohibits a person from conducting timber operations on timberland unless the person submits a timber harvesting plan to the Department of Forestry and Fire Protection and receives approval of that plan from the Director of Forestry and Fire Protection. Existing law requires an applicant for a timber operator license to pay a filing fee for the costs of the State Board of Forestry and Fire Protection in administering licensing under the act.

This bill would impose a timber yield fee upon timber that is harvested subject to that act to be paid by any person or entity that harvests timber or causes it to be harvested, every owner of felled or downed timber who acquires title to the felled or downed timber from an exempt person or agency, and any person or entity who, without authorization, intentionally or unintentionally harvests, or causes to be harvested, timber owned by another. The bill would set the rate of the fee for the 2003–04 and 2004–05 fiscal years at 4% of the total immediate harvest value, as defined, of the timber. The bill would require the board, commencing with the 2005–06 fiscal year, and each fiscal year thereafter, to set the rate of the fee by regulation. The bill would require the rate of the fee to produce revenues sufficient to fund the state's cost of administering the forest practice act.

The bill would require these fees to be deposited in the Forest Practice Regulatory Fund, which the bill would create in the General Fund. The bill would authorize the department to expend the funds deposited in the fund, upon appropriation by the Legislature, for the costs of administering the Forest Practice Act.

(16) Existing law authorizes various agencies to acquire land for purposes related to conservation.

This bill would require an acquisition agency, as defined, prior to approving the acquisition of conservation land, as defined, where an agency proposes to spend more than \$25,000,000, to contract for at least one independent appraisal of the fair market value of the land. The bill would require the independent appraisal to be conducted by a qualified member of the Appraisal Institute and reviewed by a qualified independent appraiser retained by the acquisition agency for this purpose.

The bill would require the acquisition agency to make available for public review, among other things, the independent appraisal review, a summary of the basis for the recommendation of approval for the acquisition of the land, and any relevant environmental studies, documents, or other information.

The bill would provide that its procedures and requirements are in addition to, and do not amend, modify, or supplant, any procedures or requirements in specified bond acts for the acquisition of conservation lands.

The bill would prohibit, with a specified exception, conservation lands from being sold to another owner or having possession and control transferred to another agency, unless specified actions occur. The bill would require proceeds from the sale or transfer of conservation lands to be used solely for acquisition of conservation lands to achieve the same or equivalent objectives as the original acquisition of the property that was sold or transferred, or to further the purposes of the State Coastal Conservancy.

(17) Existing law requires an electric utility to obtain certification from the State Energy Resources Conservation and Development Commission before commencing construction of a thermal powerplant or electric transmission line, with specified exceptions. In order to obtain certification, existing law requires an application for certification of the site and related facility to be filed with the commission, to be in a form and contain information prescribed by the commission, and to be for a site and related facility that has been found to be acceptable by the commission, as specified. Existing law requires that the commission prepare a written decision after a public hearing on an application for certification, which contains specified information.

This bill would require a person who submits to the commission an application for certification for a proposed generating facility to accompany the application with a fee of \$100,000 plus \$250 per megawatt of gross generating capacity of the proposed facility, the total fee not to exceed \$350,000. The bill would require each person who receives certification of a proposed generating facility to pay an annual fee of \$15,000, the first annual payment to be due on the date the bill takes effect, or, for a facility certified on or after the date the bill takes effect, on the date the commission adopts the final decision. The bill would require all subsequent payments to be due by July 1 of each subsequent year in which the facility retains its certification. The bill would require both fees to be adjusted annually as specified. The bill would not require a fee to accompany an application for certification or an annual fee thereafter for a generating facility that uses a renewable resource, as defined, as its primary fuel or power source. The bill would create the Energy Facility License and Compliance Fund in

the State Treasury and would require the above fees received by the commission to be remitted to the Treasurer for deposit in the fund. The bill would require the money in the fund to be expended, upon appropriation by the Legislature, for processing applications for certification and for compliance monitoring.

(18) Existing law authorizes the commission, after one or more hearings, to amend the conditions of, or revoke the certification for, a facility for specified reasons, including that the owner of a project does not start construction of the project within 12 months after the date all permits necessary for the project become final and all administrative and judicial appeals have been resolved. Existing law requires the commission to extend the start of the construction deadline by an additional 24 months if the owner reimburses the commission's actual cost of licensing the project.

This bill would require the commission to extend the start of the construction deadline for a facility by an additional 24 months if the owner reimburses the commission's actual cost of licensing the project, less the amount paid to the commission with the application for facility certification.

(19) Existing law requires a person applying for a permit to appropriate water to pay a filing fee of \$100 to the State Water Resources Control Board and requires a person applying for a permit to appropriate water for purposes related to the development of certain hydroelectric energy facilities to pay an application fee, in an amount determined by the board, to cover the reasonable costs of the board and the Department of Fish and Game in evaluating and processing the application. Existing law also imposes fees upon a person registering or renewing registration of a small domestic or livestock stockpond use of water.

This bill would repeal those fees and would instead require a person or entity who holds a permit or license to appropriate water and a lessor of leased water to pay an annual fee according to a fee schedule established by the board. The bill would require each person or entity who files specified applications, registrations, petitions, or requests to pay a fee pursuant to a fee schedule established by the board. The bill also would require a person who files a proof of claim who files a notice to extract specified amounts of groundwater to pay a fee. The bill would require the board to establish a fee schedule setting those fees so that the total amount of fees equals that amount necessary to recover costs

incurred in connection with those activities, including certain recoverable costs.

The bill would require the board to adopt the fee schedule as an emergency regulation and would provide for the collection and enforcement of those fees, with certain exceptions, in accordance with the Fee Collection Procedures Law. The bill would impose a state-mandated local program by requiring a sheriff or marshal to provide services in performing writs of execution pursuant to the Fee Collection Procedures Law in connection with the collection of certain fees imposed pursuant to the bill's provisions. Because a person who fails to comply with certain provisions of the Fee Collection Procedures Law is subject to a misdemeanor or felony, as applicable, the bill would impose a state-mandated local program by creating a new crime.

The bill would require the fees, expenses, and penalties collected under these fee provisions and other provisions regarding the determination of water rights to be deposited in the Water Rights Fund, which this bill would establish in the State Treasury. The bill would authorize the board to expend the money in the Water Rights Fund, upon appropriation by the Legislature, for the purposes of administration of the provisions of the bill, payment of certain refunds, and to carry out various provisions of the Water Code.

The bill would provide that these fees and expenses apply to the United States and to Indian tribes, to the extent authorized under federal or tribal law.

The bill would provide that a water lease does not take effect until the first annual fee is paid, and would prohibit the lease from continuing in effect in any subsequent year unless the annual fee for that year is paid.

The bill would provide for the deposit of specified civil and criminal penalties into the Water Rights Fund and would make conforming changes with regard to existing fees.

(20) Existing law, the Porter-Cologne Water Quality Control Act, authorizes the board to establish a reasonable fee schedule to cover the cost of giving a certificate that is required or authorized by any federal law with respect to the effect of any existing or proposed facility, project, or construction work upon the quality of waters of the state.

This bill would authorize the board to establish a reasonable fee schedule to cover the state board's and the California regional water quality control board's costs incurred in connection with the certificate. The bill would authorize the board to provide for the recovery of specified costs in the fee schedule. The bill would authorize the fee

schedule to impose a fee upon a person filing an application for a certificate, or a notice of intent to file an application for a certificate, a person holding a federal permit or license for which a certificate has been issued, and a person required to send a notice of intent to the state board or a regional board to proceed with activity permitted by a general permit.

The bill would require the board, if it adopts a fee schedule, to adopt the fee schedule as emergency regulations. The bill would require any fees collected in connection with certificates for activities involving hydroelectric power projects subject to licensing by the Federal Energy Regulatory Commission to be deposited in the Water Rights Fund.

(21) Existing law establishes fees for dam ownership and operation based on the height of the dam.

This bill would establish those fees based on height and total storage capacity, as defined, and would increase those fees. The bill would require the Department of Water Resources to adopt regulations that establish a schedule of fees to cover the department's costs in administering dam safety programs. The bill would impose a penalty on fees received late. The bill would establish the Dam Safety Fund, into which all fees and other specified revenues would be deposited, to be expended, upon appropriation by the Legislature, for the administration of the dam safety program.

(22) The Water Security, Clean Drinking Water, Coastal and Beach Protection Act of 2002 was an initiative measure approved by the voters at the November 5, 2002, statewide general election as Proposition 50. Proposition 50, among other things, provides bond funds for acquisition of land related to protection of water supplies, coastal watersheds, and beaches. Existing law relating to the implementation of Proposition 50 defines "matching funds" as funds made available by nonstate sources, which may include donated services from nonstate sources.

This bill would, with respect to a state agency, include state funds and services in the definition of "matching funds."

(23) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement, including the creation of a State Mandates Claims Fund to pay the costs of mandates that do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

~~(1) Under the existing Teachers' Retirement Law, a continuous appropriation equal to 2.5% of creditable compensation, as specified, is made annually from the General Fund for transfer to the Supplemental Benefit Maintenance Account in the Teachers' Retirement Fund to fund purchase power protection payments to retired members of the Defined Benefit Program of the State Teachers' Retirement System. Existing law decreases that appropriation by \$500,000,000 for the 2003-04 fiscal year.~~

~~This bill would decrease that appropriation for the 2003-04 fiscal year by an additional \$58,000,000. The bill would make related legislative findings.~~

~~(2) Existing law requires the Teachers' Retirement Board, beginning in 2006 and every 4 years thereafter, to report to the Legislature and the Department of Finance regarding the ability of the retirement system to pay purchase power protection payments in each fiscal year until 2036 and appropriates up to \$500,000,000, as determined by the actuary and certified by the Director of Finance, as necessary to enable the Teachers' Retirement System to make those payments, as specified, until June 30, 2036.~~

~~This bill would increase the maximum amount of that appropriation to \$558,000,000.~~

~~(3) The bill would declare that it is to take effect immediately as an urgency statute.~~

Vote: $\frac{2}{3}$ majority. Appropriation: yes. Fiscal committee: yes. State-mandated local program: ~~no~~ yes.

The people of the State of California do enact as follows:

1 ~~SECTION 1. (a) The Legislature finds and declares all of the~~
 2 ~~SECTION 1. It is the intent of the Legislature in enacting this~~
 3 ~~act to continue in existence the Dam Inundation Mapping~~
 4 ~~Program in the Office of Emergency Services in order to ensure~~
 5 ~~that the citizens of the state are informed how to best prepare for~~
 6 ~~and respond to natural disasters and other catastrophic events.~~

SEC. 2. *Section 1103 of the Civil Code is amended to read:*

1103. (a) Except as provided in Section 1103.1, this article applies to any transfer by sale, exchange, installment land sale contract, as defined in Section 2985, lease with an option to purchase, any other option to purchase, or ground lease coupled with improvements, of any real property described in subdivision (c), or residential stock cooperative, improved with or consisting of not less than one nor more than four dwelling units.

(b) Except as provided in Section 1103.1, this article shall apply to a resale transaction entered into on or after January 1, 2000, for a manufactured home, as defined in Section 18007 of the Health and Safety Code, that is classified as personal property intended for use as a residence, or a mobilehome, as defined in Section 18008 of the Health and Safety Code, that is classified as personal property intended for use as a residence, if the real property on which the manufactured home or mobilehome is located is real property described in subdivision (c).

(c) This article shall apply to the transactions described in subdivisions (a) and (b) only if the transferor or his or her agent are required by one or more of the following to disclose the property's location within a hazard zone:

(1) A person who is acting as an agent for a transferor of real property that is located within a special flood hazard area (any type Zone "A" or "V") designated by the Federal Emergency Management Agency, or the transferor if he or she is acting without an agent, shall disclose to any prospective transferee the fact that the property is located within a special flood hazard area if either:

(A) The transferor, or the transferor's agent, has actual knowledge that the property is within a special flood hazard area.

(B) The local jurisdiction has compiled a list, by parcel, of properties that are within the special flood hazard area and a notice has been posted at the offices of the county recorder, county assessor, and county planning agency that identifies the location of the parcel list.

(2) A person who is acting as an agent for a transferor of real property that is located within an area of potential flooding designated pursuant to Section 8589.5 of the Government Code, or the transferor if he or she is acting without an agent, shall

1 disclose to any prospective transferee the fact that the property is
2 located within an area of potential flooding if either:

3 (A) The transferor, or the transferor's agent, has actual
4 knowledge that the property is within an inundation area.

5 (B) The local jurisdiction has compiled a list, by parcel, of
6 properties that are within the inundation area and a notice has been
7 posted at the offices of the county recorder, county assessor, and
8 county planning agency that identifies the location of the parcel
9 list.

10 (3) A transferor of real property that is located within a very
11 high fire hazard severity zone, designated pursuant to Section
12 51178 of the Public Resources Code, shall disclose to any
13 prospective transferee the fact that the property is located within
14 a very high fire hazard severity zone and is subject to the
15 requirements of Section 51182 if either:

16 (A) The transferor, or the transferor's agent, has actual
17 knowledge that the property is within a very high fire hazard
18 severity zone.

19 (B) A map that includes the property has been provided to the
20 local agency pursuant to Section 51178 of the Public Resources
21 Code and a notice has been posted at the offices of the county
22 recorder, county assessor, and county planning agency that
23 identifies the location of the map and any information regarding
24 changes to the map received by the local agency.

25 (4) A person who is acting as an agent for a transferor of real
26 property that is located within an earthquake fault zone, designated
27 pursuant to Section 2622 of the Public Resources Code, or the
28 transferor if he or she is acting without an agent, shall disclose to
29 any prospective transferee the fact that the property is located
30 within a delineated earthquake fault zone if either:

31 (A) The transferor, or the transferor's agent, has actual
32 knowledge that the property is within a delineated earthquake fault
33 zone.

34 (B) A map that includes the property has been provided to the
35 city or county pursuant to Section 2622 of the Public Resources
36 Code and a notice has been posted at the offices of the county
37 recorder, county assessor, and county planning agency that
38 identifies the location of the map and any information regarding
39 changes to the map received by the county.

(5) A person who is acting as an agent for a transferor of real property that is located within a seismic hazard zone, designated pursuant to Section 2696 of the Public Resources Code, or the transferor if he or she is acting without an agent, shall disclose to any prospective transferee the fact that the property is located within a seismic hazard zone if either:

(A) The transferor, or the transferor's agent, has actual knowledge that the property is within a seismic hazard zone.

(B) A map that includes the property has been provided to the city or county pursuant to Section 2696 of the Public Resources Code and a notice has been posted at the offices of the county recorder, county assessor, and county planning agency that identifies the location of the map and any information regarding changes to the map received by the county.

(6) A transferor of real property that is located within a state responsibility area determined by the board, pursuant to Section 4125 of the Public Resources Code, shall disclose to any prospective transferee the fact that the property is located within a wildland area that may contain substantial forest fire risks and hazards and is subject to the requirements of Section 4291 if either:

(A) The transferor, or the transferor's agent, has actual knowledge that the property is within a wildland fire zone.

(B) A map that includes the property has been provided to the city or county pursuant to Section 4125 of the Public Resources Code and a notice has been posted at the offices of the county recorder, county assessor, and county planning agency that identifies the location of the map and any information regarding changes to the map received by the county.

(d) Any waiver of the requirements of this article is void as against public policy.

16 (b) If an earthquake fault zone, seismic hazard zone, very high
17 fire hazard severity zone, or wildland fire area map or
18 accompanying information is not of sufficient accuracy or scale
19 that a reasonable person can determine if the subject real property
20 is included in a natural hazard area, the transferor or transferor's
21 agent shall mark "Yes" on the Natural Hazard Disclosure
22 Statement. The transferor or transferor's agent may mark "No" on
23 the Natural Hazard Disclosure Statement if he or she attaches a
24 report prepared pursuant to subdivision (c) of Section 1103.4 that
25 verifies the property is not in the hazard zone. Nothing in this
26 subdivision is intended to limit or abridge any existing duty of the
27 transferor or the transferor's agents to exercise reasonable care in
28 making a determination under this subdivision.

29 (c) If the Federal Emergency Management Agency has issued
30 a Letter of Map Revision confirming that a property is no longer
31 within a special flood hazard area, then the transferor or
32 transferor's agent may mark "No" on the Natural Hazard
33 Disclosure Statement, even if the map has not yet been updated.
34 The transferor or transferor's agent shall attach a copy of the Letter
35 of Map Revision to the disclosure statement.

36 (d) If the Federal Emergency Management Agency has issued
37 a Letter of Map Revision confirming that a property is within a
38 special flood hazard area and the location of the letter has been
39 posted pursuant to subdivision (g) of Section 8589.3 of the
40 Government Code, then the transferor or transferor's agent shall

mark “Yes” on the Natural Hazard Disclosure Statement, even if the map has not yet been updated. The transferor or transferor’s agent shall attach a copy of the Letter of Map Revision to the disclosure statement.

(e) The disclosure required pursuant to this article may be provided by the transferor and the transferor’s agent in the Local Option Real Estate Disclosure Statement described in Section 1102.6a, provided that the Local Option Real Estate Disclosure Statement includes substantially the same information and substantially the same warnings that are required by this section.

(f) The disclosure required by this article is only a disclosure between the transferor, the transferor’s agents, and the transferee, and shall not be used by any other party, including, but not limited to, insurance companies, lenders, or governmental agencies, for any purpose.

(g) In any transaction in which a transferor has accepted, prior to June 1, 1998, an offer to purchase, the transferor, or his or her agent, shall be deemed to have complied with the requirement of subdivision (a) if the transferor or agent delivers to the prospective transferee a statement that includes substantially the same information and warning as the Natural Hazard Disclosure Statement.

SEC. 4. Section 714 of the Fish and Game Code is amended to read:

714. (a) In addition to Section 3031, 3031.2, 7149, 7149.05, or 7149.2 and notwithstanding Section 3037, the department shall issue lifetime sportsman’s licenses pursuant to this section. A lifetime sportsman’s license authorizes the taking of birds, mammals, fish, reptiles, or amphibia anywhere in this state in accordance with law for purposes other than profit for the life of the person to whom issued unless revoked for a violation of this code or regulations adopted pursuant to this code. (f) Upon payment of a ~~fee of two hundred dollars (\$200) base fee of two hundred ten dollars (\$210)~~, a person holding a lifetime hunting license or lifetime sportsman's license shall be entitled annually to the privileges afforded to a person holding a state duck stamp or validation issued pursuant to Section 3700 or 3700.1 and an upland game bird stamp or validation issued pursuant to Section 3682 or 3682.1. *Lifetime privileges issued pursuant to this subdivision are not transferable.*

(g) *The base fees specified in this section are applicable commencing January 1, 2004, and shall be adjusted annually thereafter pursuant to Section 713.*

SEC. 5. Section 2536 of the Fish and Game Code is amended to read:

2536. (a) It is unlawful for any person to engage in the business of guiding or packing, or to act as a guide for any consideration or compensation whatever, without first having secured a guide license from the department.

(b) An employee of a licensee who acts as a guide only in connection with, and within the scope of, his or her employment is exempt from the requirement of subdivision (a) if all of the following conditions are met:

(1) If the employment is subject to and the person is reported to the carrier of the employer's workers' compensation insurance.

(2) If the person is subject and reported to the state and federal taxing authorities for withholding of income tax.

(3) If the person is reported to the department, on forms provided by the department, as an employee of the guide prior to any contact with any person being guided, and a ~~ten dollar (\$10)~~ registration fee has been paid. *The base fee for an employee guide registration for the 2004 license year shall be thirty-three dollars (\$33), which shall be adjusted annually thereafter pursuant to Section 713.*

(c) A person who is licensed in another state to provide guide services for the purposes of fishing is exempt from the requirements of subdivision (a) if all of the following conditions are met:

(1) The state in which the person is licensed grants a similar exemption to licensed guides who are residents of this state.

(2) Evidence of a valid guide license is provided to the department upon request.

(3) The person is engaged in the business of guiding only in conjunction with and during the term of a multistate fishing tournament approved by the appropriate agency in each of the affected states.

(4) The tournament sponsor provides to the department any information or documents necessary to administer and enforce this paragraph, as determined by the department, including, but not limited to, the identities of all guides participating in the tournament, verification of another state's license exemption, and information sufficient to determine the validity of another state's guide licenses.

(5) The tournament sponsor pays the department an amount, determined by the department, to be sufficient to cover the department's cost to administer and enforce this subdivision.

(6) The net proceeds of the tournament are used for resource management projects or habitat improvement projects, or both.

SEC. 6. Section 2540 of the Fish and Game Code is amended to read:

SEC. 23. Section 7361 of the Fish and Game Code is amended to read:

7361. Fees received by the department pursuant to Sections 7360 and 7360.1 shall be deposited in a separate account in the Fish and Game Preservation Fund. The department shall expend the funds in that account ~~solely to increase the abundance of striped bass consistent with state and federal Endangered Species Act requirements, by producing striped bass and restoring their aquatic habitat, with the goal of restoring a self-sustaining, naturally reproducing Bay-Delta striped bass population, consistent with the striped bass policy goals established by the commission; and to fund any other recommendations made by the Striped Bass Stamp Fund Advisory Committee appointed pursuant to Section 7362.~~ Funds received pursuant to Sections 7360 and 7360.1 may not be used for striped bass production and restoration in lieu of annual funding from the sale of fishing licenses, from the Federal Aid in Sport Fish Restoration Act (16 U.S.C. Secs. 777 to 777i, inclusive) revenues, or from an appropriation by any statute in existence on January 1, 1998 only for the purposes of the Bay-Delta Sport Fishing Enhancement Program, to be enacted by the Legislature during the 2003–04 Regular Session. The funds may not be expended until that program is enacted.

SEC. 24. Section 7362 of the Fish and Game Code is repealed.

~~7362. (a) The director shall appoint a Striped Bass Stamp Fund Advisory Committee, consisting of nine members. The members of the committee shall be selected from names of persons submitted by striped bass anglers and associations representing striped bass anglers of this state and shall serve at the discretion of the director. The director shall appoint persons to the committee who possess experience in subjects with specific value to the committee and shall attempt to balance the perspective of different groups of persons.~~

~~(b) The advisory committee shall annually recommend to the department projects and budgets for the expenditure of revenue received pursuant to Sections 7360 and 7360.1. The department shall give full and complete consideration to the committee's recommendations. In submitting recommendations for the~~

1 Governor's Budget, the department may recommend programs for
2 funding that are not contained in the committee's
3 recommendation, except that all revenue raised pursuant to
4 Sections 7360 and 7360.1 shall be spent in accordance with
5 Section 7361. The department shall notify the committee prior to
6 placing funding provisions in the budget. The department shall
7 submit to the committee an annual accounting of funds derived
8 from striped bass stamps, including the number of stamps sold,
9 funds generated and expended, and a status report of programs
10 funded pursuant to this article.

22 January 1, 1993, a person taking steelhead trout in inland waters
23 shall have in his or her possession a *valid* nontransferable steelhead
24 trout catch report-restoration card issued by the department. The
25 cardholder shall record certain fishing information on the card as
26 designated by the department. The information shall immediately
27 be recorded whenever the cardholder finishes fishing for the day,
28 moves to another river or stream, or retains steelhead trout. The
29 cardholder shall return the card to the department on a schedule or
30 date established by the department.

31 (b) ~~The cost of the card shall be three dollars (\$3), as adjusted~~
32 *base fee for the card shall be five dollars (\$5) for the 2004 license*
33 *year, which shall be adjusted annually thereafter* pursuant to
34 Section 713. The funds received by the department from the sale
35 of the card shall be deposited in the Fish and Game Preservation
36 Fund and shall be available for expenditure upon appropriation by
37 the Legislature. The department shall maintain the internal
38 accountability necessary to ensure that all restrictions and
39 requirements pertaining to the expenditure of these funds are met.

(c) The commission shall adopt regulations necessary to implement this section. These regulations shall include, but not be limited to, procedures necessary to obtain appropriate steelhead trout resources management information, a requirement that the card contain a statement explaining potential uses of the funds received as authorized by Section 7381, and a requirement that the cards be returned to the department.

4 ~~hundred forty-nine dollars (\$549).~~

5 SEC. 40. Section 8039 is added to Fish and Game Code, to
6 read:

7 8039. The fees specified in this article are applicable to the
8 2004 license year and shall be adjusted annually thereafter
9 pursuant to Section 713.

10 SEC. 41. Section 13005 of the Fish and Game Code is
11 amended to read:

12 13005. (a) Notwithstanding Section 13001, the ~~money~~ fees
13 collected from ~~fees for~~ lifetime sportsman's licenses ~~under and~~
14 ~~privileges issued pursuant to~~ Section 714, lifetime hunting
15 licenses ~~under and privileges issued pursuant to~~ Section 3031.2,
16 and lifetime ~~sportfishing~~ sport fishing licenses ~~under and~~

18 follows:

19 (1) Twenty dollars (\$20) ~~for from the initial issuance of~~ each
20 lifetime license ~~issued~~ shall be deposited in the Fish and Game
21 Preservation Fund for use in accordance with Section 711.

22 (2) The balance of the fees *collected* shall be deposited in the
23 Lifetime License Trust Account which is hereby created in the Fish
24 and Game Preservation Fund. Except as provided in this section,
25 that principal amount of the money in the account from the fee for
26 a lifetime license shall not be used, except for investment.

27 (b) The money in the Lifetime License Trust Account may be
28 transferred and invested through the Surplus Money Investment
29 Fund and all interest shall accrue to the account pursuant to
30 subdivision (g) of Section 16475 of the Government Code.

31 ~~(c) (1) Each year the department shall transfer from the~~
32 ~~Lifetime License Trust Account to the Fish and Game Preservation~~
33 ~~Fund an amount equal to the current amount of the annual resident~~
34 ~~hunting and the sportfishing license fee times the number of~~
35 ~~lifetime sportsman's licenses in force and effect on July 1 of that~~
36 ~~year.~~

37 ~~(2) Each year the department shall transfer from the Lifetime~~

(4) Two dollars and fifty cents (\$2.50) for one sport fishing ocean enhancement stamp or validation issued pursuant to paragraph (1) of subdivision (a) of Section 6596 or paragraph (1) of subdivision (a) of Section 6596.1, ~~one striped bass.~~

(5) Three dollars and fifty cents (\$3.50) for one Bay-Delta sport fishing enhancement stamp or validation issued pursuant to Section 7360 or Section 7360.1,.

(6) Three dollars and seventy-five cents (\$3.75) for one steelhead trout catch report-restoration card issued pursuant to Section 7380, ~~and.~~

(7) One dollar (\$1) for one salmon punch card issued pursuant to regulations adopted by the commission. ~~Each year the~~

1 department shall transfer from the Lifetime License Trust Account
2 to the appropriate account within the Fish and Game Preservation
3 Fund an amount equal to the number of persons holding the
4 additional privileges prescribed in subdivision (f) of Section
5 7149.2 in force and effect on January 1 of that year times the
6 current fee for the ocean fishing enhancement stamp, steelhead
7 trout catch report restoration card, striped bass stamp, and salmon
8 punch card. In addition, each year the department shall transfer
9 from the Lifetime License Trust Account to the Fish and Game
10 Preservation Fund an amount equal to 20 percent of the number of
11 persons holding the additional fishing privileges prescribed in
12 subdivision (f) of Section 7149.2 multiplied by the current fee for
13 the second rod fishing stamp.

14 ~~(5) Upon receipt of the fee prescribed by subdivision (e) of~~
15 ~~Section 714, the department shall transfer into the appropriate~~
16 ~~account within the Fish and Game Preservation Fund an amount~~
17 ~~equal to one deer tag~~

18 *(8) Nineteen dollars and twenty-five cents (\$19.25) for a deer*

SEC. 42. Section 15101 of the Fish and Game Code is amended to read:

15101. (a) The owner of each aquaculture facility shall register all of the following information with the department by March 1 of each year:

(1) The owner's name.

(2) The species grown.

(3) The location or locations of each operation or operations.

(b) The department may provide registration forms for this purpose, may establish a procedure for the review of the information provided to ensure that the operation will not be detrimental to native wildlife, and shall impose a registration fee of ~~four hundred dollars (\$400)~~ *five hundred forty-nine dollars (\$549)* to recover the cost of reviewing new registrations. For renewing registrations, the department shall impose a registration fee of ~~two hundred dollars (\$200)~~ *seventy-five dollars (\$275)*. It is unlawful to conduct aquaculture operations or to culture approved species of aquatic plants and animals unless registered under this section. *The registration fees specified in this section are applicable to the 2004 registration year and shall be adjusted annually thereafter pursuant to Section 713.*

(c) The annual registration of information required by subdivision (b) is not a project for purposes of the California Environmental Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code).

SEC. 43. Section 15103 of the Fish and Game Code is amended to read:

15103. (a) In addition to the fees specified in Section 15101, a surcharge fee of ~~three hundred dollars (\$300)~~ *four hundred twelve dollars (\$412)* shall be paid at the time of registration by the owner of an aquaculture facility if the gross annual sales of aquaculture products of the facility during the prior calendar year exceed twenty-five thousand dollars (\$25,000).

(b) Each registered aquaculturist shall maintain sales and production records which shall be made available upon request of

1 the department to assist the department in the administration of this
2 chapter.

3 (c) Any person who fails to pay the surcharge fee required in
4 this section at the time of registration shall be assessed a
5 delinquency penalty in an amount equal to the fees prescribed in
6 subdivision (a).

7 (d) *The surcharge imposed pursuant to this section shall be*
8 *adjusted annually pursuant to Section 713.*

9 SEC. 44. *Section 11502.5 of the Food and Agricultural Code*
10 *is amended to read:*

11 11502.5. (a) The director may adopt regulations to establish
12 the minimum requirements of education, continuing education,
13 training, experience, and examination for applicants for any
14 license or certificate, or renewal of any license or certificate,
15 issued by the director pursuant to this division or Division 7
16 (commencing with Section 12500). *The director shall not renew*
17 *a license or certificate if the person who was issued the license or*
18 *certificate did not complete the required continuing education*
19 *during the period of validity of the license or certificate, and the*
20 *person must take and pass the examination to be again issued such*
21 *a license or certificate.*

22 (b) *The director shall establish, by regulation, fees for the*
23 *Department of Pesticide Regulation's licensing and certification*
24 *programs as established pursuant to this division or Division 7*
25 *(commencing with Section 12500). These programs include, but*
26 *are not limited to:*

27 (1) *License and certificate examination, application, and*
28 *renewal program.*

29 (2) *Approval of continuing education courses and continuing*
30 *education course providers.*

31 (3) *Changes on any license or certificate, including, but not*
32 *limited to, name or address changes, license or certificate*
33 *replacement costs, duplicate copy of a license or certificate, and*
34 *changes in qualified person, bond, insurance, or registered*
35 *officers.*

36 (4) *Penalties for late payment of licensing and certification*
37 *fees.*

38 (c) *The fees established pursuant to this section may include*
39 *administrative costs, including overhead costs.*

1 (d) The regulations shall provide that the examination fee may
2 be charged to applicants who request the director to reschedule an
3 examination due to the applicant's failure to obtain a passing score
4 or failure to appear for the scheduled examination, and for
5 scheduling an examination to amend a license.

6 (e) The fees established pursuant to this section shall be set so
7 that the total revenue collected each fiscal year is sufficient to
8 support the expenditure levels for these programs contained in the
9 annual Budget Act. If the director determines that the revenue
10 collected during the preceding year was greater than, or less than,
11 the expenditure levels for these programs set forth in the Budget
12 Act, the director may further adjust the current fees to compensate
13 for the overcollection or undercollection.

14 (f) Funds collected pursuant to this section shall be deposited
15 in the Department of Pesticide Regulation Fund, and shall be
16 available for expenditure by the department, upon appropriation,
17 for the purposes of carrying out the programs established pursuant
18 to this division or Division 7 (commencing with Section 12500).

19 (g) The regulations adopted pursuant to this section, or any
20 amendment thereto, shall be adopted by the director in accordance
21 with Chapter 3.5 (commencing with Section 11340) of Part 1 of
22 Division 3 of Title 2 of the Government Code. The adoption of these
23 regulations shall be considered by the Office of Administrative
24 Law as an emergency, and necessary for the immediate
25 preservation of the public peace, health, safety, and general
26 welfare. Notwithstanding any other provision of law, the
27 emergency regulations adopted pursuant to this section shall
28 remain in effect until amended by the director.

29 SEC. 45. Section 11515 of the Food and Agricultural Code is
30 repealed.

31 ~~11515. (a) The director may, by regulation, establish~~
32 ~~reasonable fees based on recommendations of the Agricultural~~
33 ~~Pest Control Advisory Committee to cover the costs of~~
34 ~~administering any written examination administered pursuant to~~
35 ~~this division or Division 7 (commencing with Section 12501). The~~
36 ~~fees shall not exceed fifteen dollars (\$15) per examination.~~

37 ~~(b) The regulations shall provide that the examination fee may~~
38 ~~be charged to applicants who require the director to reschedule an~~
39 ~~examination due to the applicant's failure to obtain a passing score~~

1 ~~or failure to appear for the scheduled examination, and for~~
2 ~~scheduling an examination to amend a license.~~

3 ~~(c) The original application fee shall allow the applicant to take~~
4 ~~the laws and regulations examination and one additional category~~
5 ~~applied for in the original application in accordance with the~~
6 ~~director's examination schedule.~~

7 *SEC. 46. Section 11516 of the Food and Agricultural Code is*
8 *repealed.*

9 ~~11516. The director may establish reasonable fees, not to~~
10 ~~exceed twenty dollars (\$20), to cover the cost of name or address~~
11 ~~changes on any license or certificate issued pursuant to this~~
12 ~~division or Division 7 (commencing with Section 12501).~~

13 *SEC. 47. Section 11703 of the Food and Agricultural Code is*
14 *amended to read:*

15 11703. (a) Except as otherwise provided in Sections 11704
16 and 11707, the application shall be accompanied by a fee ~~of one~~
17 ~~hundred dollars (\$100) as prescribed by the director pursuant to~~
18 ~~Section 11502.5.~~

19 (b) If the applicant maintains any branch office in this state or
20 outside this state and the applicant engages in the pest control
21 business in this state from that branch office, the applicant shall
22 pay an additional fee ~~of fifty dollars (\$50) as prescribed by the~~
23 ~~director pursuant to Section 11502.5~~ for each of these branch
24 offices.

25 *SEC. 48. Section 11704 of the Food and Agricultural Code is*
26 *amended to read:*

27 11704. (a) A person who is regularly engaged in the business
28 of maintenance gardening and who desires to engage in pest
29 control for hire incidental to that business shall qualify for a pest
30 control business license in the maintenance gardener category by
31 passing the certified commercial applicators examination in both
32 the laws and regulation and the landscape maintenance categories.

33 (b) The maintenance gardener category shall be limited to pest
34 control in ornamental and turf plantings indoors, in commercial
35 parks, or surrounding structures. A contract or verification that the
36 pest control operation is incidental and that maintenance
37 gardening is the primary purpose shall be immediately submitted
38 to the commissioner or director upon request.

(c) An application for a license limited to the maintenance gardener category shall be accompanied by a fee ~~of fifty dollars (\$50)~~ as prescribed by the director pursuant to Section 11502.5.

SEC. 49. Section 11707 of the Food and Agricultural Code is amended to read:

11707. To any fee which is not paid by the date of expiration, there shall be added a penalty ~~of ten dollars (\$10)~~ as prescribed by the director pursuant to Section 11502.5.

SEC. 50. Section 11903 of the Food and Agricultural Code is amended to read:

11903. A fee ~~of thirty dollars (\$30)~~ as prescribed by the director pursuant to Section 11502.5 shall accompany each application for an initial certificate.

SEC. 51. Section 11904 of the Food and Agricultural Code is amended to read:

11904. Every certificate shall expire on December 31 of the year for which it is issued. Certificates may be renewed before the expiration date by application to the director and upon payment of a fee ~~of twenty-five dollars (\$25)~~ as prescribed by the director pursuant to Section 11502.5. A penalty fee ~~of ten dollars (\$10)~~ as prescribed by the director pursuant to Section 11502.5 shall be paid by an applicant who applies for renewal after the expiration date.

SEC. 52. Section 12021 of the Food and Agricultural Code is amended to read:

12021. An application for an agricultural pest control adviser license shall be in the form prescribed by the director. Each application shall state the name and address of the applicant specified on the application and any other information required by the director. The application shall be accompanied by a fee ~~of fifty dollars (\$50)~~ as prescribed by the director pursuant to Section 11502.5 to be paid into the State Treasury to the credit of the Department of Pesticide Regulation Fund. All licenses issued under this article shall expire on December 31 of the year for which they are issued. Licenses may be renewed annually by the date of expiration through application in the form prescribed by the director and upon payment of a fee ~~of forty dollars (\$40)~~ as prescribed by the director pursuant to Section 11502.5. A penalty ~~of ten dollars (\$10)~~ as prescribed by the director pursuant to

1 Section 11502.5 shall be assessed against any applicant who
2 applies for a renewal of the license after the expiration date.

3 SEC. 53. Section 12103 of the Food and Agricultural Code is
4 amended to read:

5 12103. An application for a license shall be in the form
6 prescribed by the director. Each application shall state the name
7 and address of the applicant specified on the application and any
8 other information required by the director. The application shall be
9 accompanied by a fee of ~~one hundred dollars (\$100)~~ as prescribed
10 by the director pursuant to Section 11502.5 to be paid into the State
11 Treasury to the credit of the Department of Pesticide Regulation
12 Fund. All licenses issued under this article shall expire on
13 December 31 of the year for which they are issued.

14 To the amount of the license fee shall be added, ~~as an additional~~
15 ~~license fee, fifty dollars (\$50)~~ in an amount prescribed by the
16 director pursuant to Section 11502.5, for each branch salesyard,
17 store, or sales location that is owned and operated by the applicant
18 in ~~the~~ this state or in other states when doing business from that
19 out-of-state location regarding pesticides to be sold or delivered
20 into or within ~~the~~ this state.

21 SEC. 54. Section 12104 of the Food and Agricultural Code is
22 amended to read:

23 12104. The license for a pest control dealer may be renewed
24 annually upon application in the form prescribed by the director,
25 accompanied by a fee of ~~one hundred dollars (\$100)~~ as prescribed
26 by the director pursuant to Section 11502.5, for each license and
27 ~~fifty dollars (\$50)~~ for each branch salesyard, store, or sales
28 location ~~that does business in the state, or that does business in this~~
29 ~~state from an out-of-state location as specified in Section 12103,~~
30 by the date of expiration. These fees shall be paid into the State
31 Treasury to the credit of the Department of Pesticide Regulation
32 Fund.

33 SEC. 55. Section 12105 of the Food and Agricultural Code is
34 amended to read:

35 12105. A penalty of ~~ten dollars (\$10)~~ as prescribed by the
36 director pursuant to Section 11502.5 shall be added to any fee
37 ~~which~~ that is not paid by the date of expiration.

38 SEC. 56. Section 12201 of the Food and Agricultural Code is
39 amended to read:

12201. An application for a qualified applicator license shall be in a form prescribed by the director. Each application shall state the name and address of the applicant specified on the application and any other information required by the director. The application shall be accompanied by a fee of forty dollars (\$40). These fees shall be paid into the State Treasury to the credit of the Department of Pesticide Regulation Fund as prescribed by the director pursuant to Section 11502.5.

SEC. 57. Section 12202 of the Food and Agricultural Code is amended to read:

12202. (a) All licenses issued pursuant to this chapter expire on December 31 of the year for which they are issued. Licenses may be renewed annually by the date of expiration through application in a form prescribed by the director and upon payment of a fee of thirty dollars (\$30) as prescribed by the director pursuant to Section 11502.5.

(b) A penalty of ten dollars (\$10) as prescribed by the director pursuant to Section 11502.5 shall be assessed against any applicant who applies for renewal after the expiration date.

SEC. 58. Section 12252 of the Food and Agricultural Code is amended to read:

12252. (a) An application for a pest control dealer designated agent license shall be in the form prescribed by the director. Each application shall state the name and address of the applicant specified on the application and any other information required by the director. The application shall be accompanied by a fee of fifteen dollars (\$15). These fees shall be paid into the State Treasury to the credit of the Department of Pesticide Regulation Fund as prescribed by the director pursuant to Section 11502.5.

(b) All licenses issued pursuant to this article shall expire on December 31 of the year for which they are issued.

(c) Licenses may be renewed annually upon application in the form prescribed by the director and upon payment of a fee of fifteen dollars (\$15) as prescribed by the director pursuant to Section 11502.5. A penalty of ten dollars (\$10) as prescribed by the director pursuant to Section 11502.5 shall be added to any license renewal fee that is not paid by the date of expiration of the previously issued license.

SEC. 59. Section 12401 of the Food and Agricultural Code is amended to read:

1 12401. (a) An application for a pesticide broker license, or
2 renewal of a license, shall be in the form prescribed by the director.
3 Each application for a license, or license renewal, shall state the
4 name and address of the applicant, and any other information
5 specified on the application or required by the director, and be
6 accompanied by a fee ~~of one hundred dollars (\$100)~~ *as prescribed*
7 *by the director pursuant to Section 11502.5.*

8 (b) An additional license fee, or license renewal fee, ~~of fifty~~
9 ~~dollars (\$50)~~ *as prescribed by the director pursuant to Section*
10 *11502.5*, shall be paid for each branch location, *whether within or*
11 *outside of this state*, of the applicant that sells or distributes into or
12 within the state any pesticide products that are labeled for
13 agricultural use.

14 *SEC. 60. Section 12404 of the Food and Agricultural Code is*
15 *amended to read:*

16 12404. A penalty ~~of twenty-five dollars (\$25)~~ *as prescribed*
17 *by the director pursuant to Section 11502.5* shall be added to any
18 license renewal fee that is not paid by the date of expiration of a
19 previously issued license or license renewal.

20 *SEC. 61. Section 12812 of the Food and Agricultural Code is*
21 *repealed.*

22 ~~12812. The annual fee for each product submitted for~~
23 ~~registration is two hundred dollars (\$200). The director may~~
24 ~~reduce the fee to a lesser amount, if she or he determines that the~~
25 ~~reduced fee will provide the funds necessary to accomplish the~~
26 ~~purposes of this chapter.~~

27 *SEC. 62. Section 12812 is added to the Food and Agricultural*
28 *Code, to read:*

29 12812. (a) *The director shall establish, by regulation, fees for*
30 *the Department of Pesticide Regulation's registration program, as*
31 *established pursuant to this division. The fees shall include, but are*
32 *not limited to, the following:*

33 (1) *Annual fees for each product submitted for registration.*

34 (2) *Penalties for the late payment of registration fees.*

35 (3) *Fees for amendments to registered products.*

36 (b) *The fees established pursuant to this section may include*
37 *costs for administration and overhead in connection with*
38 *administering the fees.*

39 (c) *The fees established pursuant to this section shall be set so*
40 *that the total revenue collected each fiscal year is sufficient to*

1 support the expenditure levels for the registration program
2 contained in the annual Budget Act.

3 (d) Funds collected pursuant to this section shall be deposited
4 in the Department of Pesticide Regulation Fund, and shall be
5 available for expenditure by the department, upon appropriation
6 by the Legislature, for the purposes of carrying out the
7 department's pesticide registration program, as established
8 pursuant to this division.

9 (e) The regulations adopted pursuant to this section, or any
10 amendment or readoption thereto, shall be adopted by the director
11 in accordance with Chapter 3.5 (commencing with Section 11340)
12 of Part 1 of Division 3 of Title 2 of the Government Code. However,
13 the adoption, amendment, readoption, or repeal of these
14 regulations shall be considered by the Office of Administrative
15 Law as an emergency, and necessary for the immediate
16 preservation of the public peace, health, safety, and general
17 welfare. Notwithstanding any other provision of law, the
18 regulations shall remain in effect until amended by the director.

19 SEC. 63. Section 12818 of the Food and Agricultural Code is
20 amended to read:

21 12818. If renewal is not applied for within one calendar
22 month after the expiration of a registration, ~~there shall be added to~~
23 ~~the fee a penalty of fifty dollars (\$50) and an additional penalty of~~
24 ~~10 percent of the original amount due, for each succeeding~~
25 ~~calendar month. The total penalty shall not, however, exceed 50~~
26 ~~percent of the original amount due a penalty as prescribed by the~~
27 ~~director pursuant to Section 12812 shall be added to the~~
28 ~~registration fee.~~

29 SEC. 64. Section 12841 of the Food and Agricultural Code is
30 amended to read:

31 12841. (a) It is unlawful for any person to sell for use in this
32 state any pesticide products that have been registered by the
33 director for which the mill assessment established by this article,
34 and the regulations adopted pursuant to it, is not paid at the times
35 specified in Section 12843.

36 (b) Except as provided in subdivision (d), every person who
37 sells for use in this state a pesticide product that has been registered
38 by the director shall pay to the director the applicable assessment.
39 Those sales expressly include all sales made electronically,
40 telephonically, or by any other means that result in a pesticide

1 product being shipped to or used in this state. There is a rebuttable
2 presumption that pesticide products that are sold or distributed into
3 or within this state by any person are sold or distributed for use in
4 this state.

5 (c) (1) Upon application of any registrant, the director shall
6 determine whether a fertilizer or paper product is used as a carrier
7 for a pesticide, and is sold in combination, and whether the mill
8 assessment under this article shall be on the pesticide value only,
9 when the product is designed, developed, and manufactured, and
10 sold primarily for other than a pesticide use. If the director finds
11 that the combination product has such a major component and is
12 designed, developed, manufactured, and sold primarily for other
13 than a pesticide use, the assessment provided by this article shall
14 be paid on the equivalent percentage of the sales price of the active
15 ingredients of the pesticide product. The director shall establish
16 this percentage of the sales price. The percentage shall be the ratio
17 of that portion of the sales price attributable to the pesticide portion
18 to the total sales price of the combination product.

19 (2) For purposes of this section, “active ingredient” means any
20 active ingredient that is required to be stated on the label on any
21 registered pesticide under Section 12883.

22 (d) Assessments provided for in this article for sales of
23 registered pesticides that are sold for use in this state shall be paid
24 by the registrant except as follows:

25 (1) In those cases where the registrant did not first sell the
26 pesticide into or within this state or have actual knowledge, at the
27 time of its sale, that the pesticide would be sold for use in this state,
28 the assessment shall be paid by the licensed pesticide broker,
29 licensed pest control dealer, or other person who first sold the
30 pesticide for use in this state.

31 (2) No person is required to pay an assessment on registered
32 products that are labeled only for use in further manufacturing or
33 formulating of pesticides.

34 (e) It has been and continues to be the intent of the Legislature
35 that this division requires the department to register all pesticides
36 prior to their sale for use in this state and, except as otherwise
37 provided by law, requires the department to regulate and control
38 the use of pesticides in accordance with this division. Except as
39 provided in *paragraph (3) of subdivision (f), and in* Section
40 12841.1, the department shall continue to collect the assessment

as provided in this article at the same rate on all registered agricultural and registered nonagricultural pesticides.

(f) (1) ~~Except as provided in paragraph (2), the~~ The mill assessment shall be paid at the following rates per dollar of sales for all sales of pesticides for use in this state:

(A) From January 1, 1998, to March 31, 1999, inclusive, the rate shall be 15.15 mills (\$0.01515) plus any additional assessment authorized by Section 12841.1.

(B) From April 1, 1999, to December 31, 2002, inclusive, the rate shall be 17.5 mills (\$0.0175) plus any additional assessment authorized by Section 12841.1.

(C) From January 1, 2003, to ~~June 30, 2004~~ December 31, 2003, inclusive, the rate shall be 17.5 mills (\$0.0175).

(D) ~~Effective July 1, 2004, and thereafter, the rate shall be 9 mills (\$0.009).~~ For all transactions on or after January 1, 2004, the actual rate shall be that set by regulations adopted by the director at a rate adequate to support the department's annual expenditures authorized in the annual Budget Act and provide a prudent reserve. The rate set by the director shall be no greater than 27 mills (\$0.027). However, if regulations are not adopted before a payment is due, payment shall be made at the rate of 17.5 mills (\$0.0175), and, upon adoption of regulations, payment of any additional amount due shall be made.

(2) ~~In order to avoid the accumulation of unneeded revenues, the director shall, by the adoption of an emergency regulation pursuant to subdivision (h), set the mill assessment rate lower than the rate established in subparagraphs (A), (B), and (C) of paragraph (1) if the director determines that program needs are adequately met and that revenues collected would result in a prudent reserve in the Department of Pesticide Regulation Fund by the end of the 2001-02 fiscal year greater than two million five hundred thousand dollars (\$2,500,000). In no case shall the lower mill rate result in revenues that are less than the revenues that the rate established in subparagraphs (A) and (B) of paragraph (1) would generate if each mill was valued at one million four hundred eighty-two thousand dollars (\$1,482,000). The regulations adopted pursuant to this section, or any amendment thereto, shall be adopted by the director in accordance with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code. However, the adoption, amendment,~~

1 *readoption, or repeal of these regulations shall be considered by*
2 *the Office of Administrative Law as an emergency, and necessary*
3 *for the immediate preservation of the public peace, health, safety,*
4 *and general welfare. Notwithstanding any other provision of law,*
5 *the regulations shall remain in effect until amended by the director.*
6 *The director shall make available to the public, upon the adoption*
7 *of an emergency regulation establishing a new rate, the*
8 *information upon which the director has calculated, based, or*
9 *determined the new rate.*

10 (3) *For all transactions occurring on or after January 1, 2004,*
11 *in addition to the assessment paid pursuant to subparagraph (D)*
12 *of paragraph (1) of subdivision (f), a further assessment of 18 mills*
13 *(\$0.018) shall be paid on the sale of all pesticides designated as*
14 *restricted materials pursuant to Chapter 3 (commencing with*
15 *Section 14001) of Division 7, except for sales of those pesticides*
16 *designated as restricted materials for the sole reason that they are*
17 *used under an emergency exemption issued pursuant to Section 18*
18 *of the Federal Insecticide, Fungicide, and Rodenticide Act,*
19 *Section 136p of Chapter 6 of Title 7 of the United States Code.*

20 (g) ~~The revenue collected from the mill assessment pursuant to~~
21 ~~this section shall be deposited in the Department of Pesticide~~
22 ~~Regulation Fund, except as specified in Section 12841.1, and~~
23 ~~distributed as follows:~~

24 (1) *Notwithstanding Sections 2282 and 12784, the director*
25 *shall pay, in accordance with the criteria set forth in Section 12844,*
26 *the following amounts to the counties as reimbursement for costs*
27 *incurred by the counties in the administration and enforcement of*
28 *Division 6 (commencing with Section 11401), this chapter,*
29 *Chapter 3 (commencing with Section 14001), Chapter 3.4*
30 *(commencing with Section 14090), and Chapter 3.5 (commencing*
31 *with Section 14101):*

32 (A) *From January 1, 1998, to March 31, 1998, inclusive,*
33 *five-eighths of the money received during that period pursuant to*
34 *this section.*

35 (B) *Beginning April 1, 1998, and thereafter until June 30,*
36 *2004, an amount equal to the revenue derived from 6 mills*
37 *(\$0.006) per dollar of sales for all pesticide sales for use in this*
38 *state.*

39 ~~(2)~~

(C) Commencing July 1, 2004, and thereafter, an amount equal to the revenue derived from 7.25 mills (\$0.00725) per dollar of sales for all pesticides sold for use in this state and, in addition, all revenue derived from the additional assessment imposed pursuant to paragraph (3) of subdivision (f).

(2) Commencing July 1, 2004, and thereafter, an amount up to the revenue derived from 2 mills (\$0.002) per dollar of all pesticides sold for use in this state shall remain in the Department of Pesticide Regulation Fund, and shall be available for expenditure, upon appropriation by the Legislature, for an outreach program to include worker safety and education activities, environmental safety and compliance, and to instruct for proper application and handling of pesticides to promote worker and environmental safety activities in accordance with criteria in Section 12841.2.

(3) All funds not otherwise distributed pursuant to this subdivision shall remain in the Department of Pesticide Regulation Fund and shall be available for expenditure, upon appropriation, to support the department's operations.

~~(h) Any change to the mill assessment rate established pursuant to subparagraphs (A) and (B) of paragraph (1) of subdivision (f) shall be made by the adoption of an emergency regulation and shall be determined by the Office of Administrative Law as necessary for the immediate preservation of the public peace, health, safety, and general welfare. Thereafter, the regulations shall be adopted pursuant to Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code and shall remain in effect for no more than four consecutive quarters. The director shall make available to the public, at least 60 days prior to the adoption of an emergency regulation establishing a new rate, the information upon which the director has calculated the new rate.~~

SEC. 65. Section 12841.1 of the Food and Agricultural Code is amended to read:

12841.1. (a) ~~Between January 1, 1998, and July 1, 2004, the~~ The director may collect an assessment, in addition to the mill assessment collected pursuant to Section 12841, for all pesticide sales for use in this state except for sales for use in this state of ~~those~~ ~~nonagricultural~~ pesticides labeled ~~only~~ solely for home, industrial, or institutional use. The director may only collect up to an additional three-fourths mill (\$0.00075) per dollar of sales, as part

1 ~~of in addition to~~ the rate established pursuant to Section 12841, if
2 necessary to fund, or augment the funding for, an appropriation to
3 the Department of Food and Agriculture to provide pesticide
4 consultation to the department pursuant to Section 11454.2. The
5 necessity of this additional assessment shall be determined by the
6 Secretary of Food and Agriculture, in consultation with the
7 director, on an annual basis after consideration of all other revenue
8 sources, including any reserves, which may be appropriated for
9 this purpose. The secretary's written determination, including a
10 request for a specified additional assessment and the basis for that
11 request, shall be provided to the ~~department in~~ director by a time
12 and *in a* manner prescribed by the director ~~to fulfill the~~
13 ~~requirements of Section 12841, and shall be made available to the~~
14 ~~public pursuant to the requirements of subparagraph (B) of~~
15 ~~paragraph (1) of subdivision (f) of Section 12841.~~

16 (b) The revenue collected pursuant to this section shall be
17 deposited monthly in a separate account in the Department of Food
18 and Agriculture Fund. These revenues shall be expended only by
19 the Department of Food and Agriculture, upon appropriation, to
20 provide consultation to the department pursuant to Section
21 11454.2. No funds may be expended prior to the execution of a
22 memorandum of understanding pursuant to subdivision (b) of
23 Section 11454.2. The consultation activities to be undertaken by
24 the Department of Food and Agriculture are limited solely to those
25 specifically authorized in the memorandum of understanding
26 executed pursuant to Section 11454.2. These funds may not be
27 expended for scientific risk assessment activities. The department
28 shall be reimbursed from the Department of Food and Agriculture
29 Fund for *the department's* revenue collection activities. *If the*
30 *director determines that a person is entitled to a refund of mill*
31 *assessment funds that were collected pursuant to this section, the*
32 *director shall inform the Secretary of Food and Agriculture of the*
33 *amount of the refund due, which shall be reimbursed from the*
34 *Department of Food and Agriculture Fund.*

35 ~~(c) This section shall remain in effect only until July 1, 2004,~~
36 ~~and as of that date is repealed, unless a later enacted statute, that~~
37 ~~is enacted before July 1, 2004, deletes or extends that date.~~

38 SEC. 66. Section 12841.2 is added to the Food and
39 Agricultural Code, to read:

12841.2. (a) *The Department of Pesticide Regulation shall create a program to conduct outreach and education for worker safety, environmental safety, school safety, and proper pesticide handling and use. The program shall include, but not be limited to, the following:*

(1) *All communities, urban, rural, and suburban.*

(2) *All potential exposure opportunities including household, industrial, and agricultural uses.*

(3) *Rights and procedures of workers and those potentially exposed to pesticides and how they file confidential complaints.*

(b) *The program shall be conducted in accordance with the department's environmental justice guidelines.*

(c) *The director shall appoint an advisory committee of interested stakeholders to provide input on the development and implementation of the program.*

(d) *This program shall compliment and not replace other outreach efforts currently in place not dealing with the issues addressed within this program.*

SEC. 67. *Section 14152 of the Food and Agricultural Code is amended to read:*

14152. An application for a qualified applicator certificate shall be in a form prescribed by the director. Each application shall state the name and address of the applicant specified on the application and any other information required by the director. The application shall be accompanied by a fee ~~of twenty-five dollars (\$25)~~ *as prescribed by the director pursuant to Section 11502.5.*

All certificates issued under this chapter shall expire on December 31 of the year for which they are issued. Certificates may be renewed annually by the date of expiration by application in the form prescribed by the director and upon payment of ~~fifteen dollars (\$15)~~ *a fee as prescribed by the director pursuant to Section 11502.5.* A penalty ~~of ten dollars (\$10)~~ shall be assessed against any applicant who applies for renewal after the expiration date ~~as prescribed by the director pursuant to Section 11502.5. These funds shall be deposited in the State Treasury to the credit of the Department of Pesticide Regulation Fund.~~

SEC. 68. *Section 8589.4 of the Government Code is amended to read:*

8589.4. (a) A person who is acting as an agent for a transferor of real property that is located within an area of potential flooding

1 shown on an inundation map *designated pursuant to Section*
2 *8589.5*, or the transferor if he or she is acting without an agent,
3 shall disclose to any prospective transferee the fact that the
4 property is located within an area of potential flooding.

5 (b) Disclosure is required pursuant to this section only when
6 one of the following conditions is met:

7 (1) The transferor, or the transferor's agent, has actual
8 knowledge that the property is within an inundation area.

9 (2) The local jurisdiction has compiled a list, by parcel, of
10 properties that are within the inundation area and a notice has been
11 posted at the offices of the county recorder, county assessor, and
12 county planning agency that identifies the location of the parcel
13 list.

14 (c) In all transactions that are subject to Section 1103 of the
15 Civil Code, the disclosure required by subdivision (a) of this
16 section shall be provided by either of the following means:

17 (1) The Local Option Real Estate Disclosure Statement as
18 provided in Section 1102.6a of the Civil Code.

19 (2) The Natural Hazard Disclosure Statement as provided in
20 Section 1103.2 of the Civil Code.

21 (d) For purposes of the disclosure required by this section, the
22 following persons shall not be deemed agents of the transferor:

23 (1) Persons specified in Section 1103.11 of the Civil Code.

24 (2) Persons acting under a power of sale regulated by Section
25 2924 of the Civil Code.

26 (e) Section 1103.13 of the Civil Code shall apply to this section.

27 (f) The specification of items for disclosure in this section does
28 not limit or abridge any obligation for disclosure created by any
29 other provision of law or that may exist in order to avoid fraud,
30 misrepresentation, or deceit in the transfer transaction.

31 *SEC. 69. Section 8589.5 is added to the Government Code, to*
32 *read:*

33 *8589.5. (a) Inundation maps showing the areas of potential*
34 *flooding in the event of sudden or total failure of any dam, the*
35 *partial or total failure of which the Office of Emergency Services*
36 *determines, after consultation with the Department of Water*
37 *Resources, would result in death or personal injury, shall be*
38 *prepared and submitted as provided in this subdivision within six*
39 *months after the effective date of this section, unless previously*
40 *submitted or unless the time for submission of those maps is*

1 extended for reasonable cause by the Office of Emergency
2 Services. The local governmental organization, utility, or other
3 public or private owner of any dam so designated shall submit to
4 the Office of Emergency Services one map that shall delineate
5 potential flood zones that could result in the event of dam failure
6 when the reservoir is at full capacity, or if the local governmental
7 organization, utility, or other public or private owner of any dam
8 shall determine it to be desirable, he or she shall submit three maps
9 that shall delineate potential flood zones that could result in the
10 event of dam failure when the reservoir is at full capacity, at
11 median-storage level, and at normally low-storage level. After
12 submission of copies of the map or maps, the Office of Emergency
13 Services shall review the map or maps, and shall return any map
14 or maps that do not meet the requirements of this subdivision,
15 together with recommendations relative to conforming to the
16 requirements. Maps rejected by the Office of Emergency Services
17 shall be revised to conform to those recommendations and
18 resubmitted. The Office of Emergency Services shall keep on file
19 those maps that conform to the provisions of this subdivision. Maps
20 approved pursuant to this subdivision shall also be kept on file with
21 the Department of Water Resources. The owner of a dam shall
22 submit final copies of those maps to the Office of Emergency
23 Services that shall immediately submit identical copies to the
24 appropriate public safety agency of any city, county, or city and
25 county likely to be affected.

26 (b) (1) Based upon a review of inundation maps submitted
27 pursuant to subdivision (a) or based upon information gained by
28 an onsite inspection and consultation with the affected local
29 jurisdiction when the requirement for an inundation map is waived
30 pursuant to subdivision (d), the Office of Emergency Services shall
31 designate areas within which death or personal injury would, in its
32 determination, result from the partial or total failure of a dam. The
33 appropriate public safety agencies of any city, county, or city and
34 county, the territory of which includes any of those areas, may
35 adopt emergency procedures for the evacuation and control of
36 populated areas below those dams. The Office of Emergency
37 Services shall review the procedures to determine whether
38 adequate public safety measures exist for the evacuation and
39 control of populated areas below the dams, and shall make
40 recommendations with regard to the adequacy of those procedures

1 to the concerned public safety agency. In conducting the review,
2 the Office of Emergency Services shall consult with appropriate
3 state and local agencies.

4 (2) Emergency procedures specified in this subdivision shall
5 conform to local needs, and may be required to include any of the
6 following elements or any other appropriate element, in the
7 discretion of the Office of Emergency Services:

8 (A) Delineation of the area to be evacuated.

9 (B) Routes to be used.

10 (C) Traffic control measures.

11 (D) Shelters to be activated for the care of the evacuees.

12 (E) Methods for the movement of people without their own
13 transportation.

14 (F) Identification of particular areas or facilities in the flood
15 zones that will not require evacuation because of their location on
16 high ground or similar circumstances.

17 (G) Identification and development of special procedures for
18 the evacuation and care of people from unique institutions.

19 (H) Procedures for the perimeter and interior security of the
20 area, including such things as passes, identification requirements,
21 and antilooting patrols.

22 (I) Procedures for the lifting of the evacuation and reentry of
23 the area.

24 (J) Details as to which organizations are responsible for the
25 functions described in this paragraph and the material and
26 personnel resources required.

27 (3) It is the intent of the Legislature to encourage each agency
28 that prepares emergency procedures to establish a procedure for
29 their review every two years.

30 (c) "Dam," as used in this section, has the same meaning as
31 specified in Sections 6002, 6003, and 6004 of the Water Code.

32 (d) Where both of the following conditions exist, the Office of
33 Emergency Services may waive the requirement for an inundation
34 map:

35 (1) Where the effects of potential inundation in terms of death
36 or personal injury, as determined through onsite inspection by the
37 Office of Emergency Services in consultation with the affected
38 local jurisdictions, can be ascertained without an inundation map.

39 (2) Where adequate evacuation procedures can be developed
40 without benefit of an inundation map.

(e) If development should occur in any exempted area after a waiver has been granted, the local jurisdiction shall notify the Office of Emergency Services of that development. All waivers shall be reevaluated every two years by the Office of Emergency Services.

(f) A notice may be posted at the offices of the county recorder, county assessor, and county planning agency that identifies the location of the map, and of any information received by the county subsequent to the receipt of the map regarding changes to inundation areas within the county.

SEC. 70. Section 10089.45 is added to the Insurance Code, to read:

10089.45. (a) The Seismic Safety Account is hereby created as a special account within the Insurance Fund. Money in the account may be appropriated by the Legislature for the purposes of this section to fund the department and the Seismic Safety Commission. Except as provided in subdivision (b), assessments imposed on insurers as a prorated percentage of premiums earned on property exposures for both commercial and residential insurance policies relative to the aggregate premiums earned on those exposures by all insurers shall be deposited in the account. The premiums earned for property exposures shall be as stated on lines 4 and 5.1 of the annual statement filed by each insurer pursuant to Section 900. The assessments shall be set annually based on earned premiums reported for the next preceding year by the department and calculated so that the funds in the account shall be sufficient to fund appropriations for support of the Seismic Safety Commission, for the actual collection and administrative costs of the department, and for the maintenance of an adequate reserve. The department shall submit the proposed assessments to the Seismic Safety Commission for its review at a regularly scheduled meeting of the commission.

(b) No assessment shall be levied on insurers with less than one hundred thousand dollars (\$100,000) of annual direct premiums earned on property exposures for both commercial and residential insurance policies. The department may adjust this amount as necessary to minimize costs by excluding assessment amounts that are too small to justify the cost of assessment and collection or if assessment or collection is impractical.

(c) An insurer, in its discretion, may recover this assessment in an equitable fashion from the insured. The insurer, upon receipt of an invoice, shall transmit payment to the department for deposit in the Seismic Safety Account. Any deficiency or excess in the amount collected in relation to the appropriation authority for the commission and the department shall be accounted for in the subsequent annual fee calculation. Any balance remaining in the Seismic Safety Account at the end of the fiscal year shall be retained in the account and carried forward to the next fiscal year.

(d) Funds in the Seismic Safety Account shall be distributed, upon appropriation, to the Seismic Safety Commission for the support of the commission and to the department for the actual administrative costs incurred in collecting the assessments.

(e) The department shall report annually to the Legislature, the Seismic Safety Commission, and the Department of Finance on the assessment calculation methodology employed.

(f) This section shall remain in effect until July 1, 2007, and as of that date is repealed, unless a later enacted statute, that is enacted before July 1, 2007, deletes or extends that date.

SEC. 71. Section 12975.7 of the Insurance Code is amended to read:

12975.7. (a) All moneys received by the commissioner in payment of lawful fees or reimbursements pursuant to this code shall be transmitted to the State Treasurer to be deposited in the State Treasury to the credit of the Insurance Fund. Unless specified in this code to be deposited in a different fund, all moneys received by the commissioner in fines, penalties, assessments, costs, or other sanctions shall be transmitted to the State Treasury for deposit in the General Fund. ~~The~~

(b) The money in the Insurance Fund received from the commissioner pursuant to this section is hereby appropriated as follows:

~~(a) To~~ to pay the refunds authorized by this code.

~~(b)~~

(c) The balance of the money in the ~~fund~~ Insurance Fund shall be used for the purposes specified in Section 10089.45, for the support of the Department of Insurance as authorized by the Budget Act, and for related cash flow needs.

SEC. 72. Section 12975.8 of the Insurance Code is amended to read:

12975.8. (a) The Insurance Fund shall, in addition to the funds specified in Section 12975.7, consist of all of the following:

(1) All moneys appropriated to the fund in accordance with law.

(2) All moneys deposited into the State Treasury from any source whatever in payment of lawful fees or reimbursements collected by the Department of Insurance.

(3) The balance remaining in the Insurance Fund at the end of ~~any~~ the fiscal year, whether the moneys received are from an appropriation, fees, or from reimbursements for services rendered.

(b) *(1) All moneys in the Insurance Fund credited to the Seismic Safety Account shall be subject to an annual appropriation each fiscal year for the purposes specified in Section 10089.45.*

(2) All other moneys in the Insurance Fund shall be subject to an annual appropriation each fiscal year for the support of the Department of Insurance.

(3) If the current cash balance in the Seismic Safety Account is not adequate to fund the amount appropriated from it in the annual Budget Act, the Insurance Fund, upon enactment of the Budget Act, shall loan to the account the amount of the appropriation, and one half of this amount shall be transferred to the Seismic Safety Commission. The second half of the appropriated amount shall be transferred to the Seismic Safety Commission from the Seismic Safety Account on or before December 31 of each year. This loan shall be repaid by revenues collected pursuant to Section 10089.45.

(c) Any balance remaining in the Insurance Fund at the end of ~~any~~ the fiscal year may be carried forward to the next succeeding fiscal year.

(d) Whenever the balance in the Insurance Fund is not sufficient to cover cash flow in the payment of authorized expenditures, the department may borrow such funds as may be necessary from whatever source and under terms and conditions as may be determined by the Director of Finance. Repayment shall be made from revenues received by the department for the same fiscal year for which the loan is made.

SEC. 73. Article 3.5 (commencing with Section 4138) is added to Chapter 1 of Part 2 of Division 4 of the Public Resources Code, to read:

Article 3.5. State Responsibility Area Fire Protection Benefit
Fees

4138. The Legislature finds and declares the following:

(a) The presence of homes and other structures within state responsibility areas poses an added burden to the state's wildland firefighting resources, the incremental cost of which should be borne by the owners of these homes and structures.

(b) Individual land owners within state responsibility areas receive a disproportionate benefit, which is greater than that realized by the state's citizens generally, from fire prevention and suppression services provided by the state.

(c) In most cases local firefighting entities are available to provide structural fire protection within state responsibility areas. It is not the intent of the Legislature to substitute the state's firefighting capability for these existing services or to supplant them. However, these entities often do not possess sufficient equipment, personnel, and other necessary resources to meet the demand placed upon them in the event of large wild fires, and the state must at times provide additional firefighting resources to protect structures.

(d) It is the intent of the Legislature to provide for equitable distribution of the economic burden of fire prevention and suppression in state responsibility areas between the citizens of the state who generally benefit from those activities and those landowners who receive a specific benefit other than that general benefit.

(e) It is necessary to impose a fee based upon the reasonable value of the specific benefit received by landowners within state responsibility areas. Furthermore, the presence of homes and other structures on a given parcel, and the size of the parcel, constitute a reasonable relationship to fire prevention and suppression benefits received.

(f) Imposition of these fees is necessary to sustain service levels associated with the department's recent protection levels, to maintain sufficient depth of forces, and to maintain the ability to provide state assistance under various mutual aid arrangements.

(g) All revenues generated by state responsibility area fire protection benefit fees imposed under this article and used for the

purposes for which they are imposed, are not proceeds of taxes subject to Article XIII B of the California Constitution.

(h) Nothing in this article requires the state to provide fire prevention and suppression services beyond those set forth in this chapter, or that landowners actually use the services provided.

4139. (a) A state responsibility area fire protection benefit fee shall be imposed annually on each parcel of land located, in whole or in part, within state responsibility areas, as defined in Section 4102, except that the benefit fee may not be imposed on any of the following:

(1) Parcels exempt from property taxes.

(2) Parcels owned by a public agency and located within the boundaries of the public agency.

(b) For the 2003–04 fiscal year, the benefit fee for each parcel shall be seventy dollars (\$70) so that a total of thirty-five dollars (\$35) per parcel may be collected pursuant to subdivision (c). For the 2004–05 fiscal year, the benefit fee for each parcel shall be thirty-five dollars (\$35).

(c) Benefit fees imposed for the 2003–04 fiscal year may be apportioned for that period of the fiscal year in which this section is in effect, but that apportionment may not be less than one half of a year. Benefit fees imposed for the 2003–04 fiscal year may be billed with the benefit fees imposed for the 2004–05 fiscal year and shall be payable by the owner of record on January 1 of the preceding fiscal year as shown on the county's secured property tax rolls. The department shall notify each affected county treasurer by June 30, 2004, of the amount it anticipates owners to remit for the 2003–04 fiscal year.

(d) The department shall have access to all county assessment records for purposes of administering the benefit fees imposed pursuant to this article. The department may authorize individual counties to perform that work on its behalf.

(e) The benefit fees shall be collected by each county in the same manner and at the same time as secured property taxes. Notwithstanding any other provision of law, the county collecting the benefit fees may increase the benefit fees by an amount to cover its reasonable cost of levying, collection, and apportionment and may retain that increased amount.

1 (f) All laws relating to the levy, collection, and enforcement of
2 county taxes apply to the benefit fees imposed pursuant to this
3 article.

4 (g) It is essential that this article be implemented without delay.
5 To permit timely implementation, the department may contract for
6 services related to establishment of the fee collection process. For
7 this purpose only, and for a period not to exceed 24 months, no
8 provision of the Public Contract Code or any other provision of
9 law related to public contracting applies.

10 4140. (a) Each county treasurer shall, not later than 30 days
11 following the collection of state responsibility area fire protection
12 benefit fees, remit all fees collected, except that portion retained
13 pursuant to subdivision (e) of Section 4139, to the Treasurer for
14 deposit in the State Responsibility Area Fire Protection Fund,
15 which is hereby created in the State Treasury.

16 (b) Money deposited in the State Responsibility Area Fire
17 Protection Fund shall be available, upon appropriation by the
18 Legislature, to the department for the purpose of providing fire
19 prevention and suppression benefits to landowners in state
20 responsibility areas.

21 (c) If the total amount deposited in the State Responsibility
22 Area Fire Protection Fund in any fiscal year exceeds the amount
23 encumbered for fire protection and suppression services in state
24 responsibility areas attributable to benefits conferred on parcels
25 subject to the fees, the fees for the following fiscal year shall be
26 reduced accordingly.

27 (d) Notwithstanding any other provision of law, the fees
28 imposed during any fiscal year may be accounted for on an
29 accrued basis. The department may borrow against anticipated
30 revenues to the State Responsibility Area Fire Protection Fund to
31 meet cash flow needs.

32 (e) Notwithstanding any other provision of law, a loan obtained
33 pursuant to subdivision (d) shall be interest free. The department
34 shall repay the loan in a timely manner from revenues received into
35 the State Responsibility Area Fire Protection Fund.

36 (f) Notwithstanding any other provision of law, the State
37 Responsibility Area Fire Protection Fund is exempt from Article
38 2 (commencing with Section 11270) of Chapter 3 of Part 1 of
39 Division 3 of Title 2 of the Government Code.

1 4140.5. *Nothing in this article prohibits local districts from*
2 *contracting with the department for the provision of structural or*
3 *wildland fire suppression.*

4 4140.7. (a) *The director, in consultation with the board, local*
5 *governments, local fire districts, state and local firefighter*
6 *employee organizations, and other interested parties, the*
7 *combination of which shall represent a geographic balance within*
8 *state responsibility areas, shall convene a stakeholder group to*
9 *evaluate the method by which fire protection and suppression*
10 *services in state responsibility areas are provided, and to make a*
11 *report containing the information listed in subdivision (c)*
12 *available to the Legislature on or before January 10, 2006.*

13 (b) (1) *The director shall post notice of all of the stakeholder*
14 *group's meetings on the department's Web site at least two weeks*
15 *before each meeting.*

16 (2) *The stakeholder group's meetings shall be held in various*
17 *locations throughout the state.*

18 (3) *All meetings of the stakeholder group shall be open to the*
19 *public.*

20 (c) *The report shall contain at least all of the following:*

21 (1) *A summary of the current legal and financial relationships*
22 *between the state and local governments and local fire districts,*
23 *with respect to fire protection in state responsibility areas.*

24 (2) *All relevant information and policy options pertaining to*
25 *whether increased responsibility, funding, and training, with*
26 *respect to state responsibility areas, should be given to local*
27 *governments and local fire districts.*

28 (3) *All relevant arguments pertaining to whether the collection*
29 *of state fees for fire protection and suppression services in state*
30 *responsibility areas in all areas of the state should continue in*
31 *order to ensure that the beneficiaries of fire protection and*
32 *suppression services are paying for those services.*

33 (4) *Recommendations on the conditions and terms by which a*
34 *fee for fire suppression and protection services should be*
35 *continued and in what amount, taking into account local*
36 *conditions and the various circumstances under which fire*
37 *protection and suppression services are currently structured.*

38 (5) *A recommendation of whether the designation and*
39 *delineation of state responsibility areas can be improved to ensure*

1 *that local governments and residents are aware of the boundaries*
2 *of state responsibility areas.*

3 *SEC. 74. Article 7.7 (commencing with Section 4597) is*

5 *Code, to read:*

6
7 *Article 7.7. Forest Practice Act Benefit Fee*
8

9 *4597. The Legislature finds and declares all of the following:*

10 *(a) The persons and entities regulated under this chapter*
11 *benefit from the activities of the department, including the review*
12 *and enforcement of timber harvest plans and long-term timber*
13 *management plans.*

14 *(b) The cost of administering this chapter should be paid by*
15 *persons or entities regulated under this chapter.*

16 *(c) Establishing a timber yield fee is the most efficient and*
17 *convenient way of recovering the full costs of implementing this*
18 *chapter.*

19 *(d) The amount of the fee imposed on a feepayer pursuant to*
20 *this article reasonably relates to the amount expended by the*
21 *department to regulate that feepayer's activities under this*
22 *chapter.*

23 *(e) The revenues derived from the fees imposed pursuant to this*
24 *article are not the proceeds of taxes within the meaning of Section*
25 *3 of Article XIII A of the California Constitution.*

26 *4597.2. (a) On and after the effective date of the act adding*
27 *this article during the 2003 portion of the 2003–04 Regular*
28 *Session, a timber yield fee shall be imposed upon timber that is*
29 *harvested, to be paid by all of the following:*

30 *(1) A person or entity that harvests his or her timber or causes*
31 *it to be harvested.*

32 *(2) An owner of felled or downed timber who acquires title to*
33 *the felled or downed timber from an exempt person or agency*
34 *described in Section 38104 of the Revenue and Taxation Code.*

35 *(3) A person or entity that, without authorization, intentionally*
36 *or unintentionally harvests, or causes to be harvested, timber*
37 *owned by another.*

38 *(b) The rate of the fee imposed pursuant to subdivision (a) for*
39 *the 2003–04 and 2004–05 fiscal years shall be 4 percent of the*

1 *total immediate harvest value, as defined in Section 38109 of the*
2 *Revenue and Taxation Code, of the timber.*

3 *(c) Commencing with the 2005–06 fiscal year and each fiscal*
4 *year thereafter, the rate of the fee imposed pursuant to subdivision*
5 *(a) shall be set by the board by regulation adopted pursuant to*
6 *Chapter 3.5 (commencing with Section 11340) of Part 1 of*
7 *Division 3 of Title 2 of the Government Code. The board shall set*
8 *the fee in an amount sufficient to produce revenues to fund the*
9 *state’s costs of administering this chapter, including the costs for*
10 *reviewing and enforcing timber harvesting plans and long-term*
11 *timber management plans.*

12 *4597.5. (a) The fees imposed pursuant to Section 4597.2*
13 *shall be collected by the State Board of Equalization in accordance*
14 *with Part 30 (commencing with Section 55001) of Division 2 of the*
15 *Revenue and Taxation Code and deposited in the Forest Practice*
16 *Regulatory Fund, which is hereby created in the General Fund.*

17 *(b) The funds deposited in the Forest Practice Regulatory Fund*
18 *shall be available, upon appropriation by the Legislature, for*
19 *expenditure by the department and plan review team agencies for*
20 *the costs of administering this chapter. For the purposes of this*
21 *section, “plan review team agencies” means the Department of*
22 *Fish and Game, the State Water Resources Control Board, and the*
23 *Department of Conservation.*

24 *SEC. 75. Chapter 1.695 (commencing with Section 5096.500)*
25 *is added to Division 5 of the Public Resources Code, to read:*

26
27 *CHAPTER 1.695. PUBLIC REVIEW OF STATE AGENCY ACQUISITION*
28 *OF CONSERVATION LANDS*
29

30 *Article 1. General Provisions*
31

32 *5096.500. The Legislature finds and declares as follows:*

33 *(a) It is vital to ensure public confidence in amounts paid, and*
34 *procedures used, for the acquisition of property by state agencies*
35 *that spend taxpayer or bond funds.*

36 *(b) It is important to ensure that an acquisition agency act*
37 *expeditiously to purchase critically needed conservation lands for*
38 *their preservation and protection.*

39 *(c) The purpose of this chapter is to ensure that information on*
40 *the acquisition of conservation lands by state agencies is made*

1 available to the public, while ensuring that these lands continue
2 to be acquired in an efficient and expeditious manner.

3 5096.501. For purposes of this chapter, the following terms
4 have the following meanings:

5 (a) "Acquisition agency" means the Wildlife Conservation
6 Board or the State Coastal Conservancy.

7 (b) "Conservation lands" means any land or interest therein to
8 be acquired by an acquisition agency, or that is owned by the state
9 and under the jurisdiction of the Wildlife Conservation Board, the
10 State Coastal Conservancy, the Department of Fish and Game, or
11 the Department of Parks and Recreation.

12 (c) "Major acquisition" means an acquisition where an agency
13 proposes to spend more than twenty-five million dollars
14 (\$25,000,000).

15
16 Article 2. Conservation Lands Acquisition Procedures
17

18 5096.511. Prior to any action by an acquisition agency to
19 approve a major acquisition of conservation lands, the acquisition
20 agency shall contract for at least one independent appraisal of the
21 fair market value of the land. The appraisal shall be conducted by
22 a qualified member of the Appraisal Institute who is licensed
23 pursuant to Part 3 (commencing with Section 11300) of Division
24 4 of the Business and Professions Code. The appraisal shall be
25 prepared pursuant to the Uniform Standards of Professional
26 Appraisal Practice.

27 5096.512. (a) In addition to review by the Department of
28 General Services pursuant to Section 1348.2 of the Fish and Game
29 Code, the appraisal prepared pursuant to Section 5096.511 shall
30 be reviewed by a qualified independent appraiser retained by the
31 acquisition agency for this purpose, and who meets the following
32 conditions:

33 (1) The review appraiser did not conduct the appraisal
34 pursuant to Section 5096.511 and has no financial interest in the
35 major acquisition.

36 (2) The review appraiser is licensed pursuant to Part 3
37 (commencing with Section 11300) of Division 4 of the Business and
38 Professions Code.

39 (b) The review appraiser shall review the appraisal and
40 prepare an appraisal review report that does all of the following:

1 (1) Summarizes the appraisal.

2 (2) States the basis on which the value of the land was
3 established.

4 (3) Describes the standards used to prepare the appraisal.

5 (4) Determines whether or not the appraisal meets the
6 standards established under the Uniform Standards of
7 Professional Appraisal Practice.

8 (c) The appraisal review report need not include the appraised
9 value of the property or any proprietary information provided by
10 or on behalf of the seller that is otherwise specifically exempt from
11 public disclosure pursuant to Chapter 3.5 (commencing with
12 Section 6250) of Division 7 of Title 1 of the Government Code.

13 5096.513. Not less than 30 calendar days prior to holding a
14 public hearing for the purpose of authorizing a major acquisition
15 of conservation lands, an acquisition agency shall make available
16 for public review a packet of information, except information that
17 is specifically exempt from being disclosed pursuant to the Chapter
18 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the
19 Government Code, that includes, but is not limited to, the
20 following:

21 (a) A copy of the independent appraisal review prepared
22 pursuant to Section 5096.512.

23 (b) A summary of the basis for the recommendation of approval
24 for the major acquisition of the land made by the acquisition
25 agency.

26 (c) Any relevant environmental studies, documents, or other
27 information.

28 5096.514. Not more than 10 working days after the close of
29 escrow for a major acquisition of conservation land by an
30 acquisition agency, the acquisition agency shall make available to
31 the public all of the following information, unless it is specifically
32 exempted from being disclosed pursuant to the California Public
33 Records Act (Chapter 3.5 (commencing with Section 6250) of
34 Division 7 of Title 1 of the Government Code):

35 (a) A copy of the appraisal for the conservation land approved
36 by the Department of General Services.

37 (b) A copy of all other documents relevant to the purchase of the
38 conservation land, including, but not limited to, environmental
39 assessments or other documents not already disclosed pursuant to
40 Section 5096.513.

1 5096.515. *The procedures and requirements established*
2 *pursuant to this chapter are in addition to, and do not amend,*
3 *modify, or supplant, any procedures or requirements established*
4 *pursuant to the Water Security, Clean Drinking Water, Coastal and*
5 *Beach Protection Act of 2002 (Division 26.5 (commencing with*
6 *Section 79500) of the Water Code) or the California Clean Water,*
7 *Clean Air, Safe Neighborhood Parks, and Coastal Protection Act*
8 *of 2002 (Chapter 1.696 (commencing with Section 5096.600)), for*
9 *the acquisition of conservation lands.*

10 5096.516. (a) *Except as provided in subdivision (c), no*
11 *conservation lands may be sold to another owner, or have*
12 *possession and control transferred to another agency, unless all of*
13 *the following occur:*

14 (1) *The selling or transferring agency prepares and makes*
15 *available to the public a detailed report that identifies why the*
16 *conservation lands no longer serve a needed conservation*
17 *purpose.*

18 (2) *The selling or transferring agency holds a duly noticed*
19 *public hearing to accept public comment on the proposed sale or*
20 *transfer of conservation lands.*

21 (3) *After compliance with paragraphs (1) and (2), the selling*
22 *or transferring agency finds, based on substantial evidence, that*
23 *the property no longer serves a needed conservation purpose.*

24 (4) *The sale or transfer of the land is authorized or approved*
25 *as part of the annual Budget Act or pursuant to specific legislation*
26 *authorizing the sale or transfer.*

27 (b) *Proceeds from the sale or transfer of conservation lands*
28 *shall be used solely for either of the following:*

29 (1) *The acquisition of conservation lands to achieve the same*
30 *or equivalent objectives as the original acquisition of the property*
31 *that was sold or transferred.*

32 (2) *To further the purposes of Division 21 (commencing with*
33 *Section 31000).*

34 (c) *The provisions of this section do not apply to any of the*
35 *following:*

36 (1) *The sale or transfer of conservation lands solely for the*
37 *purpose of boundary adjustments or consolidation of property*
38 *ownership.*

39 (2) *The sale or transfer of lands subject to a conservation*
40 *easement to keep lands in agricultural production.*

1 (3) *The sale or transfer to other public agencies or nonprofit*
2 *organizations to improve conservation management, public*
3 *access, historic preservation, or to protect or enhance the*
4 *biological value of conservation lands.*

5 (4) *The sale or transfer of conservation lands by the State*
6 *Coastal Conservancy when the sale or transfer of interests in land*
7 *is provided for, consistent with Division 21 (commencing with*
8 *Section 31000), at the time of acquisition of real property.*

9 (d) *The requirements imposed by this section are in addition to*
10 *any other requirements imposed by law or regulation.*

11 5096.517. *The provisions of this chapter are operative*
12 *January 1, 2004.*

13 SEC. 76. *Section 25534 of the Public Resources Code is*
14 *amended to read:*

15 25534. (a) The commission may, after one or more hearings,
16 amend the conditions of, or revoke the certification for, any facility
17 for any of the following reasons:

18 (1) Any material false statement set forth in the application,
19 presented in proceedings of the commission, or included in
20 supplemental documentation provided by the applicant.

21 (2) Any significant failure to comply with the terms or
22 conditions of approval of the application, as specified by the
23 commission in its written decision.

24 (3) A violation of this division or any regulation or order issued
25 by the commission under this division.

26 (4) The owner of a project does not start construction of the
27 project within 12 months after the date all permits necessary for the
28 project become final and all administrative and judicial appeals
29 have been resolved provided the California Consumer Power and
30 Conservation Financing Authority notifies the commission that it
31 is willing and able to construct the project pursuant to subdivision
32 (g). The project owner may extend the 12-month period by 24
33 additional months pursuant to subdivision (f). This paragraph
34 applies only to projects with a project permit application deemed
35 complete by the commission after January 1, 2003.

36 (b) The commission may also administratively impose a civil
37 penalty for a violation of paragraph (1) or (2) of subdivision (a).
38 Any civil penalty shall be imposed in accordance with Section
39 25534.1 and may not exceed seventy-five thousand dollars
40 (\$75,000) per violation, except that the civil penalty may be

1 increased by an amount not to exceed one thousand five hundred
2 dollars (\$1,500) per day for each day in which the violation occurs
3 or persists, but the total of the per day penalties may not exceed
4 fifty thousand dollars (\$50,000).

5 (c) A project owner shall commence construction of a project
6 subject to the start-of-construction deadline provided by
7 paragraph (4) of subdivision (a) within 12 months after the project
8 has been certified by the commission and after all accompanying
9 project permits are final and administrative and judicial appeals
10 have been completed. The project owner shall submit construction
11 and commercial operation milestones to the commission within 30
12 days after project certification. Construction milestones shall
13 require the start of construction within the 12-month period
14 established by this subdivision. The commission shall approve
15 milestones within 60 days after project certification. If the 30-day
16 deadline to submit construction milestones to the commission is
17 not met, the commission shall establish milestones for the project.

18 (d) The failure of the owner of a project subject to the
19 start-of-construction deadline provided by paragraph (4) of
20 subdivision (a) to meet construction or commercial operation
21 milestones, without a finding by the commission of good cause,
22 shall be cause for revocation of certification or the imposition of
23 other penalties by the commission.

24 (e) A finding by the commission that there is good cause for
25 failure to meet the start-of-construction deadline required by
26 paragraph (4) of subdivision (a) or any subsequent milestones of
27 subdivision (c) shall be made if the commission determines that
28 any of the following criteria are met:

29 (1) The change in any deadline or milestone does not change
30 the established deadline or milestone for the start of commercial
31 operation.

32 (2) The deadline or milestone is changed due to circumstances
33 beyond the project owner's control, including, but not limited to,
34 administrative and legal appeals.

35 (3) The deadline or milestone will be missed but the project
36 owner demonstrates a good faith effort to meet the project deadline
37 or milestone.

38 (4) The deadline or milestone will be missed due to unforeseen
39 natural disasters or acts of God that prevent timely completion of
40 the project deadline or milestone.

(5) The deadline or milestone will be missed for any other reason determined reasonable by the commission.

(f) The commission shall extend the start of the construction deadline required by paragraph (4) of subdivision (a) by an additional 24 months, if the owner reimburses the commission's actual cost of licensing the project, *less the amount paid pursuant to subdivision (a) of Section 25806*. For the purposes of this section, the commission's actual cost of licensing the project shall be based on a certified audit report filed by the commission staff within 180 days of the commission's certification of the project. The certified audit shall be filed and served on all parties to the proceeding, is subject to public review and comment, and is subject to at least one public hearing if requested by the project owner. Any reimbursement received by the commission pursuant to this subdivision shall be deposited in the General Fund.

(g) If the owner of a project subject to the start-of-construction deadline provided by paragraph (4) of subdivision (a) fails to commence construction, without good cause, within 12 months after the project has been certified by the commission and has not received an extension pursuant to subdivision (f), the commission shall provide immediate notice to the California Consumer Power and Conservation Financing Authority. The authority shall evaluate whether to pursue the project independently or in conjunction with any other public or private entity, including the original certificate holder. If the authority demonstrates to the commission that it is willing and able to construct the project either independently or in conjunction with any other public or private entity, including the original certificate holder, the commission may revoke the original certification and issue a new certification for the project to the authority, unless the authority's statutory authorization to finance or approve new programs, enterprises, or projects has expired. If the authority declines to pursue the project, the permit shall remain with the current project owner until it expires pursuant to the regulations adopted by the commission.

(h) If the commission issues a new certification for a project subject to the start-of-construction deadline provided by paragraph (4) of subdivision (a) to the authority, the commission shall adopt new milestones for the project that allow the authority up to 24 months to start construction of the project or to start to meet the applicable deadlines or milestones. If the authority fails

1 to begin construction in conformity with the deadlines or
2 milestones adopted by the commission, without good cause, the
3 certification may be revoked.

4 (i) (1) If the commission issues a new certification for a project
5 subject to the start-of-construction deadline provided by
6 paragraph (4) of subdivision (a) to the authority and the authority
7 pursues the project, without participation of the original certificate
8 holder, the authority shall offer to reimburse the original certificate
9 holder for the actual costs the original certificate holder incurred
10 in permitting the project and in procuring assets associated with
11 the license, including, but not limited to, major equipment and the
12 emission offsets. In order to receive reimbursement, the original
13 certificate holder shall provide to the commission documentation
14 of the actual costs incurred in permitting the project. The
15 commission shall validate those costs. The certificate holder may
16 refuse to accept the offer of reimbursement for any asset associated
17 with the license and retain the asset. To the extent the certificate
18 holder chooses to accept the offer for an asset, it shall provide the
19 authority with the asset.

20 (2) If the authority reimburses the original certificate holder for
21 the costs described in paragraph (1), the original certificate holder
22 shall provide the authority with all of the assets for which the
23 original certificate holder received reimbursement.

24 (j) This section does not prevent a certificate holder from
25 selling its license to construct and operate a project prior to its
26 revocation by the commission. In the event of a sale to an entity
27 that is not an affiliate of the certificate holder, the commission shall
28 adopt new deadlines or milestones for the project that allow the
29 new certificate holder up to 12 months to start construction of the
30 project or to start to meet the applicable deadlines or milestones.

31 (k) Paragraph (4) of subdivision (a) and subdivisions (c) to (j),
32 inclusive, do not apply to licenses issued for the modernization,
33 repowering, replacement, or refurbishment of existing facilities or
34 to a qualifying small power production facility or a qualifying
35 cogeneration facility within the meaning of Sections 201 and 210
36 of Title II of the federal Public Utility Regulatory Policies Act of
37 1978 (16 U.S.C. Secs. 796(17), 796(18), and 824a-3), and the
38 regulations adopted pursuant to those sections by the Federal
39 Energy Regulatory Commission (18 C.F.R. Parts 292.101 to
40 292.602, inclusive), nor shall those provisions apply to any other

1 generation units installed, operated, and maintained at a customer
2 site exclusively to serve that facility's load. For the purposes of this
3 subdivision, "replacement" of an existing facility includes, but is
4 not limited to, a comparable project at a location different than the
5 facility being replaced, provided that the commission certifies that
6 the new project will result in the decommissioning of the existing
7 facility.

8 (l) Paragraph (4) of subdivision (a) and subdivisions (c) to (j),
9 inclusive, do not apply to licenses issued to "local publicly owned
10 electric utilities" as defined in subdivision (d) of Section 9604 of
11 the Public Utilities Code whose governing bodies certify to the
12 commission that the project is needed to meet the projected native
13 load of the local publicly owned utility.

14 (m) To implement this section, the commission and the
15 California Consumer Power and Conservation Financing
16 Authority may, in consultation with each other, adopt emergency
17 regulations in accordance with Chapter 3.5 (commencing with
18 Section 11340) of Part 1 of Division 3 of Title 2 of the Government
19 Code. For purposes of that chapter, including, without limitation,
20 Section 11349.6 of the Government Code, the adoption of the
21 regulations shall be considered by the Office of Administrative
22 Law to be necessary for the immediate preservation of the public
23 peace, health and safety, or general welfare.

24 *SEC. 77. Section 25806 is added to the Public Resources*
25 *Code, to read:*

26 25806. (a) *A person who submits to the commission an*
27 *application for certification for a proposed generating facility*
28 *shall submit with the application a fee of one hundred thousand*
29 *dollars (\$100,000) plus two hundred fifty dollars (\$250) per*
30 *megawatt of gross generating capacity of the proposed facility.*
31 *The total fee accompanying an application may not exceed three*
32 *hundred fifty thousand dollars (\$350,000).*

33 (b) *A person who receives certification of a proposed*
34 *generating facility shall pay an annual fee of fifteen thousand*
35 *dollars (\$15,000). The first payment of the annual fee shall be due*
36 *on the date this section takes effect. For a facility certified on or*
37 *after the effective date of this section, the first payment of the*
38 *annual fee shall be due on the date the commission adopts the final*
39 *decision. All subsequent payments shall be due by July 1 of each*

1 year in which the facility retains its certification. The fiscal year
2 for the annual fee is July 1 to June 30, inclusive.

3 (c) The fees in subdivisions (a) and (b) shall be adjusted
4 annually to reflect the percentage change in the Implicit Price
5 Deflator for State and Local Government Purchases of Goods and
6 Services, as published by the United States Department of
7 Commerce.

8 (d) No fee is required to accompany an application for
9 certification, and no annual fee is required thereafter, for a
10 generating facility that uses a renewable resource as its primary
11 fuel or power source. For purposes of this subdivision, a renewable
12 resource includes, but is not limited to, biomass, solar thermal,
13 geothermal, digester gas, municipal solid waste conversion,
14 landfill gas, ocean thermal, and solid waste converted to a clean
15 burning fuel by using a noncombustion thermal process.

16 (e) The Energy Facility License and Compliance Fund is
17 hereby created in the State Treasury. All fees received by the
18 commission pursuant to this section shall be remitted to the
19 Treasurer for deposit in the fund. The money in the fund shall be
20 expended, upon appropriation by the Legislature, for processing
21 applications for certification and for compliance monitoring.

22 SEC. 78. Section 1025.5 of the Water Code is amended to
23 read:

24 1025.5. (a) If both the lessor and lessee are private parties, the
25 lessor shall file an application with the ~~state~~ board for approval of
26 the lease agreement and shall include in the application ~~both~~ all of
27 the following:

28 (1) The information and materials described in subdivisions (a)
29 to (e), inclusive, of Section 1025.

30 (2) Other information ~~which~~ that the ~~state~~ board determines is
31 necessary to review the application.

32 (3) The application fee set pursuant to Section 1525.

33 (b) The ~~state~~ board, after providing notice and opportunity for
34 a hearing, may approve the lease if, in the judgment of the ~~state~~
35 board, the lease would not operate to injure the legal users of water
36 or unreasonably affect fish, wildlife, or other instream beneficial
37 uses.

38 SEC. 79. Section 1031 is added to the Water Code, to read:

39 1031. A water lease pursuant to this chapter shall not take
40 effect until the first annual fee, set pursuant to Section 1525, is

1 *paid, and the lease shall not continue in effect in any subsequent*
2 *year unless the annual fee for that year is paid.*

3 *SEC. 80. Section 1052 of the Water Code is amended to read:*

4 1052. (a) The diversion or use of water subject to this
5 division other than as authorized in this division is a trespass.

6 (b) Civil liability may be administratively imposed by the
7 board pursuant to Section 1055 for a trespass as defined in this
8 section in an amount not to exceed five hundred dollars (\$500) for
9 each day in which the trespass occurs.

10 (c) The Attorney General, upon request of the board, shall
11 institute in the superior court in and for any county wherein the
12 diversion or use is threatened, is occurring, or has occurred
13 appropriate action for the issuance of injunctive relief as may be
14 warranted by way of temporary restraining order, preliminary
15 injunction, or permanent injunction.

16 (d) Any person or entity committing a trespass as defined in this
17 section may be liable for a sum not to exceed five hundred dollars
18 (\$500) for each day in which the trespass occurs. The Attorney
19 General, upon request of the board, shall petition the superior court
20 to impose, assess, and recover any sums pursuant to this
21 subdivision. In determining the appropriate amount, the court
22 shall take into consideration all relevant circumstances, including,
23 but not limited to, the extent of harm caused by the violation, the
24 nature and persistence of the violation, the length of time over
25 which the violation occurs, and the corrective action, if any, taken
26 by the violator.

27 (e) All funds recovered pursuant to this section shall be
28 ~~transferred to the General Fund of the state~~ *deposited in the Water*
29 *Rights Fund established pursuant to Section 1550.*

30 (f) The remedies prescribed in this section are cumulative and
31 not alternative.

32 *SEC. 81. Section 1228.3 of the Water Code is amended to*
33 *read:*

34 1228.3. (a) Registration of water use pursuant to this article
35 shall be made upon a form prescribed by the board. The
36 registration form shall set forth all of the following:

37 (1) The name and post office address of the registrant.

38 (2) The source of water supply.

39 (3) The nature and amount of the proposed use.

40 (4) The proposed place of diversion.

1 (5) The place where it is intended to use the water.

2 (6) The time for completion of construction of diversion works
3 and for complete application of the water to the proposed use.

4 (7) A certification that the registrant has contacted a
5 representative of the Department of Fish and Game designated by
6 that department for that purpose, has provided information to that
7 department ~~which~~ *that* is set forth in the registration form, and has
8 agreed to comply with all lawful conditions, including, but not
9 limited to, conditions upon the construction and operation of
10 diversion works, required by the Department of Fish and Game.

11 The certification shall include a copy of any conditions required
12 by the Department of Fish and Game pursuant to this paragraph.

13 (8) Any other information that may reasonably be required by
14 the board.

15 (b) Registration of water use shall be deemed completed on the
16 date that the form, executed in substantial compliance with the
17 requirements of this section, and the registration fee specified in
18 ~~subdivision (a) of Section 1228.8~~ *Section 1525* are received by the
19 board.

20 (c) The board shall issue monthly a list of registrations filed
21 under this article during the preceding calendar month. This list
22 shall contain the information required by paragraphs (1) to (6),
23 inclusive, of subdivision (a). The list shall set forth a date prior to
24 which any interested person may file a written protest in
25 opposition to the approval of a stockpond registration. That date
26 shall be not later than 30 days from the date on which the list is
27 issued. The board shall mail the monthly list of registrations filed
28 to any person who so requests.

29 (d) Prior to the date set forth on the list required under
30 subdivision (c), any interested person may file with the board a
31 written protest in opposition to the approval of a stockpond
32 registration. The protest shall clearly set forth the protestant's
33 objections to the registered use based on interference with prior
34 rights. The protest shall be served on the registrant by the
35 protestant by mailing a duplicate copy of the protest to the
36 registrant, or through service undertaken in another manner
37 determined to be adequate by the board. The procedures set forth
38 in Article 1.5 (commencing with Section 1345) of Chapter 5 shall
39 be used for reviewing a protested registration.

40 *SEC. 82. Section 1228.8 of the Water Code is repealed.*

~~1228.8. (a) Every person registering a small domestic or livestock stockpond use of water shall pay to the board a registration fee of one hundred dollars (\$100).~~

~~(b) Every person renewing registration of a small domestic or livestock stockpond use of water shall pay to the board a renewal fee of fifty dollars (\$50).~~

SEC. 83. Chapter 8 (commencing with Section 1525) of Part 2 of Division 2 of the Water Code is repealed.

SEC. 84. Chapter 8 (commencing with Section 1525) is added to Part 2 of Division 2 of the Water Code, to read:

CHAPTER 8. WATER RIGHT FEES

Article 1. Fee Schedules

1525. (a) Each person or entity who holds a permit or license to appropriate water, and each lessor of water leased under Chapter 1.5 (commencing with Section 1020) of Part 1, shall pay an annual fee according to a fee schedule established by the board.

(b) Each person or entity who files any of the following shall pay a fee according to a fee schedule established by the board:

(1) An application for a permit to appropriate water.

(2) A registration of appropriation for a small domestic use or livestock stockpond.

(3) A petition for an extension of time within which to begin construction, to complete construction, or to apply the water to full beneficial use under a permit.

(4) A petition to change the point of diversion, place of use, or purpose of use, under a permit or license.

(5) A petition to change the conditions of a permit or license, requested by the permittee or licensee, that is not otherwise subject to paragraph (3) or (4).

(6) A petition to change the point of discharge, place of use, or purpose of use, of treated wastewater, requested pursuant to Section 1211.

(7) An application for approval of a water lease agreement.

(8) A request for release from priority pursuant to Section 10504.

(9) An application for an assignment of a state-filed application pursuant to Section 10504.

1 (c) The board shall set the fee schedule authorized by this
2 section so that the total amount of fees collected pursuant to this
3 section equals that amount necessary to recover costs incurred in
4 connection with the issuance, administration, review, monitoring,
5 and enforcement of permits, licenses, certificates, and
6 registrations to appropriate water, water leases, and orders
7 approving changes in point of discharge, place of use, or purpose
8 of use of treated wastewater. The board may include, as
9 recoverable costs, but is not limited to including, the costs incurred
10 in reviewing applications, registrations, petitions and requests,
11 prescribing terms of permits, licenses, registrations, and change
12 orders, enforcing and evaluating compliance with permits,
13 licenses, certificates, registrations, change orders, and water
14 leases, inspection, monitoring, planning, modeling, reviewing
15 documents prepared for the purpose of regulating the diversion
16 and use of water, applying and enforcing the prohibition set forth
17 in Section 1052 against the unauthorized diversion or use of water
18 subject to this division, and the administrative costs incurred in
19 connection with carrying out these actions.

20 (d) (1) The board shall adopt the schedule of fees authorized
21 under this section as emergency regulations in accordance with
22 Section 1530.

23 (2) For filings subject to subdivision (b), the schedule may
24 provide for a single filing fee or for an initial filing fee followed by
25 an annual fee, as appropriate to the type of filing involved, and
26 may include supplemental fees for filings that have already been
27 made but have not yet been acted upon by the board at the time the
28 schedule of fees takes effect.

29 (3) The board shall set the amount of total revenue collected
30 each year through the fees authorized by this section at an amount
31 equal to the revenue levels set forth in the annual Budget Act for
32 this activity. The board shall review and revise the fees each fiscal
33 year as necessary to conform with the revenue levels set forth in the
34 annual Budget Act. If the board determines that the revenue
35 collected during the preceding year was greater than, or less than,
36 the revenue levels set forth in the annual Budget Act, the board may
37 further adjust the annual fees to compensate for the over or under
38 collection of revenue.

1 (e) Annual fees imposed pursuant to this section for the
2 2003–04 fiscal year shall be assessed for the entire 2003–04 fiscal
3 year.

4 1528. Each person or entity who files a proof of claim under
5 Article 4 (commencing with Section 2575) of Chapter 3 of Part 3
6 shall pay a fee according to a fee schedule established by the
7 board. The board shall adopt the schedule of fees pursuant to
8 Section 1530. The board shall establish the fees so as to be
9 sufficient on the average to pay the administrative expenses of the
10 board in processing, reviewing, and preparing a report on the
11 claims submitted to the board.

12 1529. Each person or entity who files a notice pursuant to
13 Part 5 (commencing with Section 4999) shall pay an annual fee
14 according to a fee schedule established by the board. The board
15 shall adopt the schedule of fees pursuant to Section 1530. The
16 board shall set the filing fees in an amount that is sufficient, on the
17 average, to pay the administrative expenses of the board in
18 processing, compiling, and retaining the notices.

19 1530. (a) The board shall adopt, by emergency regulation,
20 the schedules of fees authorized under this article. The emergency
21 regulation may include provisions concerning the administration
22 and collection of the fees. The fee schedules may be graduated in
23 accordance with the number of diversions or the amount of water
24 involved. The board shall periodically adjust the amount of the fees
25 specified in the schedule in accordance with this article.

26 (b) The emergency regulations adopted pursuant to this
27 section, any amendment thereto, or subsequent adjustments to the
28 regulations, shall be adopted by the board in accordance with
29 Chapter 3.5 (commencing with Section 11340) of Part 1 of
30 Division 3 of Title 2 of the Government Code. The adoption of these
31 regulations is an emergency and shall be considered by the Office
32 of Administrative Law as necessary for the immediate preservation
33 of the public peace, health, safety, and general welfare.
34 Notwithstanding Chapter 3.5 (commencing with Section 11340) of
35 Part 1 of Division 3 of Title 2 of the Government Code, any
36 emergency regulations adopted by the board, or any adjustment to
37 an annual fee made by the board pursuant to this section, shall
38 remain in effect until revised by the board.

39

Article 2. Collection and Enforcement

1535. (a) Any fee subject to this chapter that is required in connection with the filing of an application, registration, request or proof of claim, other than an annual fee required after the period covered by the initial filing fee, shall be paid to the board.

(b) If a fee established under subdivision (b) of Section 1525, Section 1528, or Section 13160.1 is not paid when due, the board may cancel the application, registration, petition, request, or claim, or may refer the matter to the State Board of Equalization for collection of the unpaid fee.

1536. All annual fees, other than the initial filing fee required in connection with the filing of an application, registration, petition, or request, or proof of claim, and all unpaid fees and expenses referred to the State Board of Equalization for collection pursuant to subdivision (b) of Section 1535 or Section 2868, shall be paid to the State Board of Equalization.

1537. (a) The State Board of Equalization shall collect any fee or expense required to be paid to the State Board of Equalization under this chapter.

(b) (1) The State Board of Equalization shall collect the fees pursuant to the Fee Collection Procedures Law (Part 30 (commencing with Section 55001) of Division 2 of the Revenue and Taxation Code).

(2) Notwithstanding the appeal provisions in the Fee Collection Procedures Law, a determination by the board that a person or entity is required to pay a fee, or a determination by the board regarding the amount of that fee, is subject to review under Chapter 4 (commencing with Section 1120) of Part 1 and is not subject to a petition for redetermination by the State Board of Equalization.

(3) Notwithstanding the refund provisions in the Fee Collection Procedures Law, the State Board of Equalization shall not accept any claim for refund that is based on the assertion that a determination by the board improperly or erroneously calculated the amount of a fee, or incorrectly determined that the person or entity is subject to the fee, unless that determination has been set aside by the board or a court reviewing the determination of the board.

1 (4) *This subdivision shall not be construed to apply Chapter 4*
2 *(commencing with Section 1120) of Part 1 to the adoption of*
3 *regulations under this chapter or to a determination of expenses*
4 *under Part 3 (commencing with Section 2000).*

5 (c) *The board shall provide to the State Board of Equalization*
6 *the name and address of each person or entity who is liable for a*
7 *fee or expense, the amount of the fee or expense, and the due date.*

8 1538. *In any proceeding pursuant to Section 1052 in which it*
9 *is determined that there has been a violation of the prohibition*
10 *against the unauthorized diversion or use of water subject to this*
11 *division, the board or court, as the case may be, may impose an*
12 *additional liability in the amount of any annual fees that would*
13 *have been required under this division if the diversion or use had*
14 *been authorized by a permit or license to appropriate water.*

15 1539. *If a permit or license holder fails to pay an annual fee*
16 *imposed pursuant to subdivision (a) of Section 1525 for a period*
17 *of five years, the board may revoke the permit or license in*
18 *accordance with the procedures for revocation specified in Section*
19 *1241.*

20 1540. *If the board determines that the person or entity on*
21 *whom a fee or expense is imposed will not pay the fee or expense*
22 *based on the fact that the fee payer has sovereign immunity under*
23 *Section 1560, the board may allocate the fee or expense, or an*
24 *appropriate portion of the fee or expense, to persons or entities*
25 *who have contracts for the delivery of water from the person or*
26 *entity on whom the fee or expense was initially imposed. The*
27 *allocation of the fee or expense to these contractors does not affect*
28 *ownership of any permit, license, or other water right, and does not*
29 *vest any equitable title in the contractors.*

30 1541. *This article applies to any fee established or required to*
31 *be paid under Article 1 (commencing with Section 1525), to any*
32 *fee or expense set to cover the expenses of the board under Part 3*
33 *(commencing with Section 2000), and to any fee set under Section*
34 *13160.1 that is required to be deposited in the Water Rights Fund.*

35
36 Article 3. Water Rights Fund
37

38 1550. *There is in the State Treasury a Water Rights Fund,*
39 *which is hereby established.*

1 1551. All of the following shall be deposited in the Water
2 Rights Fund:

3 (a) All fees, expenses, and penalties collected by the board or
4 the State Board of Equalization under this chapter and Part 3
5 (commencing with Section 2000).

6 (b) All funds collected under Section 1052, 1845, or 5107.

7 (c) All fees collected under Section 13160.1 in connection with
8 certificates for activities involving hydroelectric power projects
9 subject to licensing by the Federal Energy Regulatory
10 Commission.

11 1552. The money in the Water Rights Fund is available for
12 expenditure, upon appropriation by the Legislature, for the
13 following purposes:

14 (a) For expenditure by the State Board of Equalization in the
15 administration of this chapter and the Fee Collection Procedures
16 Law (Part 30 (commencing with Section 55001) of Division 2 of
17 the Revenue and Taxation Code) in connection with any fee or
18 expense subject to this chapter.

19 (b) For the payment of refunds, pursuant to Part 30
20 (commencing with Section 55001) of Division 2 of the Revenue and
21 Taxation Code, of fees or expenses collected pursuant to this
22 chapter.

23 (c) For expenditure by the board for the purposes of carrying
24 out this division, Division 1 (commencing with Section 100), Part
25 2 (commencing with Section 10500) of Division 6, and Article 7
26 (commencing with Section 13550) of Chapter 7 of Division 7.

27 (d) For expenditures by the board for the purposes of carrying
28 out Section 13160 and 13160.1 in connection with activities
29 involving hydroelectric power projects subject to licensing by the
30 Federal Energy Regulatory Commission.

31 (e) For expenditures by the board for the purposes of carrying
32 out Section 13140 and 13170 in connection with plans and policies
33 that address the diversion or use of water.

34
35 Article 4. Sovereign Immunity
36

37 1560. (a) The fees and expenses established under this
38 chapter and Part 3 (commencing with Section 2000) apply to the
39 United States and to Indian tribes, to the extent authorized under
40 federal or tribal law.

1 ***(b) If the United States or an Indian tribe declines to pay a fee***
2 ***or expense, or the board determines that the United States or the***
3 ***Indian tribe is likely to decline to pay a fee or expense, the board***
4 ***may do any of the following:***

5 ***(1) Initiate appropriate action to collect the fee or expense,***
6 ***including any appropriate enforcement action for failure to pay the***
7 ***fee or expense, if the board determines that federal or tribal law***
8 ***authorizes collection of the fee or expense.***

9 ***(2) Allocate the fee or expense, or an appropriate portion of the***
10 ***fee or expense, in accordance with Section 1540. The board may***
11 ***make this allocation as part of the emergency regulations adopted***
12 ***pursuant to Section 1530.***

13 ***(3) Enter into a contractual arrangement that requires the***
14 ***United States or the Indian tribe to reimburse the board, in whole***
15 ***or in part, for the services furnished by the board, either directly***
16 ***or indirectly, in connection with the activity for which the fee or***
17 ***expense is imposed.***

18 ***(4) Refuse to process any application, registration, petition,***
19 ***request, or proof of claim for which the fee or expense is not paid,***
20 ***if the board determines that refusal would not be inconsistent with***
21 ***federal law or the public interest.***

22 ***SEC. 85. Section 1845 of the Water Code is amended to read:***

23 ***1845. (a) Upon the failure of any person to comply with a***
24 ***cease and desist order issued by the board pursuant to this chapter,***
25 ***the Attorney General, upon the request of the board, shall petition***

38 ***(c) In determining the appropriate amount, the court, or the***
39 ***board, as the case may be, shall take into consideration all relevant***
40 ***circumstances, including, but not limited to, the extent of harm***

1 caused by the violation, the nature and persistence of the violation,
2 the length of time over which the violation occurs, and the
3 corrective action, if any, taken by the violator.

4 (d) All funds recovered pursuant to this section shall be
5 ~~transferred to the General Fund of the state deposited in the Water~~
6 ~~Rights Fund established pursuant to Section 1550.~~

7 SEC. 86. Section 2850 of the Water Code is amended to read:

8 2850. At the time of the submission of proofs, the board shall
9 collect from each claimant ~~a fee of ten dollars (\$10) for each proof~~
10 ~~filed by the claimant the fee established pursuant to Section 1528.~~

11 SEC. 87. Section 2865 is added to the Water Code, to read:

12 2865. During the pendency of any proceedings under this
13 chapter, the board, after at least 20 days' notice to the parties, may
14 order interim or partial payments of the expense to be made by the
15 parties as the board deems proper and equitable under the
16 circumstances.

17 SEC. 88. Section 2868 is added to the Water Code, to read:

18 2868. If a party fails to pay the expenses apportioned to that
19 party when due, the board may refer the matter for collection of the
20 unpaid expenses pursuant to Section 1536.

21 SEC. 89. Section 5006 of the Water Code is amended to read:

22 5006. Each notice shall be sworn to and shall be accompanied
23 by a filing fee which shall be fixed by the board. ~~Such filing fees~~
24 ~~shall be fixed so as to be sufficient on the average to pay the~~
25 ~~administrative expenses of the board in listing and processing~~
26 ~~notices of the character presented, and may be graduated in~~
27 ~~accordance with the number of water sources from which~~
28 ~~extractions or diversions are shown pursuant to Section 1529.~~

29 SEC. 90. Section 5107 of the Water Code is amended to read:

30 5107. (a) The making of any willful misstatement pursuant
31 to this part is a misdemeanor punishable by a fine not exceeding
32 one thousand dollars (\$1,000) or by imprisonment in the county
33 jail for not to exceed six months, or both.

34 (b) Any person who makes a material misstatement pursuant to
35 this part may be liable civilly as provided in subdivision (c).

36 (c) Civil liability may be administratively imposed by the
37 board pursuant to Section 1055 in an amount not to exceed five
38 hundred dollars (\$500) for each violation. In determining the
39 appropriate amount, the board shall consider all relevant

circumstances, including, but not limited to, all of the following factors:

- (1) The extent of harm caused by the violation.
- (2) The nature and persistence of the violation.
- (3) The length of time over which the violation occurs.
- (4) Any corrective action undertaken by the violator.

(d) All funds recovered pursuant to this section shall be deposited in the Water Rights Fund established pursuant to Section 1550.

SEC. 91. Section 6307 of the Water Code is amended to read:

6307. (a) (1) The department shall adopt, by regulation, a schedule of fees to cover the department's costs in carrying out the supervision of dam safety.

(2) The revenue generated by the fees imposed under this section shall be adjusted periodically for cost-of-living increases. If the director determines that the revenue collected during the preceding fiscal year was greater or less than the cost to operate the program, the director shall adjust the fees to compensate for the overcollection or undercollection of revenue. The department shall provide a schedule of fees to the Legislature and to every dam owner that has a permit or has applied for a permit, when any adjustment is made to the fees under this section.

(b) (1) An annual fee shall be paid on or before ~~December~~ January 31, ~~1970~~ 2004, and on or before ~~December 31~~ July 1 of each succeeding year, based upon a fixed rate and the height of the dam, including all enlargements thereto, substantially completed by or in operation on June 30, ~~1970~~ 2003, and on June 30 of each succeeding year. ~~The~~

(2) Annual fees for 2003 collected as of December 31, 2003, shall be credited towards the fees that are due on January 31, 2004.

(3) The annual fee shall be ~~one hundred fifty dollars (\$150) plus sixteen dollars (\$16) per foot of height of the dam.~~

~~(2) The annual fee shall be increased pursuant to the following schedule:~~

Calendar Year	Fee Per Dam	Fee Per Foot of Height
1995	\$175	\$20
1997	\$200	\$24

1 ~~(b) four hundred dollars (\$400) per dam, plus one hundred ten~~
2 ~~dollars (\$110) per foot of height. This fee shall be periodically~~
3 ~~adjusted, as described in subdivision (a).~~

4 (4) A penalty plus interest, as set forth in Section 6428 of the
5 Water Code, shall be imposed for fees received after July 1 in any
6 year, except that for the year 2003, the penalty plus interest shall
7 be imposed for any fees received after December 31, 2004.

8 (c) For the purposes of this section, “height of the dam” means
9 the vertical distance, to the nearest foot, from the natural bed of the
10 stream or watercourse at the downstream toe of the barrier, as
11 determined by the department, or from the lowest elevation of the
12 outside limit of the barrier, as determined by the department, if it
13 is not across a stream channel or watercourse, to the maximum
14 possible water storage elevation.

15 ~~(e)~~

16 (d) Notwithstanding subdivision ~~(a)~~ (b), the department shall
17 limit the total annual fee per dam to not more than seventy-five
18 dollars (\$75) if both of the following apply:

19 (1) The dam has a storage capacity of not more than 100
20 acre-feet.

21 (2) The governing body of a private school or the governing
22 board of a public school certifies that the dam is used as a subject
23 of study by its students.

24 ~~(d) (1) Dams~~

25 (e) (1) Notwithstanding subdivision (b), the department shall
26 limit the total annual fee for dams or reservoirs located on farms
27 or ranch properties ~~shall be assessed an annual fee in the amount~~
28 ~~set forth in paragraph (1) of subdivision (a) and are exempt from~~
29 ~~the annual fee increases set forth in paragraph (2) of subdivision~~
30 ~~(a) to one hundred fifty dollars (\$150) per dam, and sixteen dollars~~
31 ~~(\$16) per foot of height.~~

32 (2) For purposes of this subdivision, “farm” has the same
33 meaning as defined in Section 52262 of the Food and Agricultural
34 Code.

35 ~~(e) (1) Except as provided in subdivision (c), privately~~

36 (f) (1) Privately owned dams with less than 100 acre-feet of
37 storage capacity shall be assessed an annual fee in accordance with
38 paragraph (1) of subdivision ~~(a)~~ and are exempt from the annual
39 ~~fee increases set forth in paragraph (2) of subdivision (a) (f).~~

(2) As used in this subdivision, “privately owned” does not include dams owned by municipalities, water districts or companies, irrigation districts, private, investor owned or publicly owned utilities, or public agencies.

SEC. 92. Section 6308 of the Water Code is amended to read:

~~6308. All fees and other charges collected under this part shall be paid into the State Treasury immediately after the department has certified as to the correctness of the amounts received and made any adjustments necessary, and shall be used by the department, upon appropriation, to carry out this part, penalties, interest, fines, or charges collected by the department under this division shall be deposited in the Dam Safety Fund, which is hereby established in the State Treasury. The money in that fund shall be available to the department, upon appropriation by the Legislature, for the administration of the dam safety program.~~

SEC. 93. Section 6308.5 of the Water Code is repealed.

~~6308.5. Notwithstanding Section 6308, the first fifty thousand dollars (\$50,000) derived from the fees and charges and received each year shall be deposited in the Strong Motion Instrumentation Special Fund created by Section 2706 of the Public Resources Code and shall be used for the instrumentation of dams as part of the Strong Motion Instrumentation Program pursuant to Chapter 8 (commencing with Section 2700) of Division 2 of the Public Resources Code.~~

SEC. 94. Section 6309 of the Water Code is amended to read:

~~6309. The fees provided for in this article chapter shall be required of all enumerated in the definition of owner in Chapter 1 of this part any “owner,” as defined in Section 6005.~~

SEC. 95. Section 13160.1 of the Water Code is amended to read:

13160.1. (a) The state board may establish a reasonable fee schedule to cover the ~~cost of giving~~ costs incurred by the state board and the regional boards in connection with any certificate ~~which~~ that is required or authorized by any federal law with respect to the effect of any existing or proposed facility, project, or construction work upon the quality of waters of the state, including certificates requested by applicants for a federal permit or license pursuant to Section 401 of the Federal Water Pollution Control Act, *as amended*, and certificates requested pursuant to

1 Section 169 of the Internal Revenue Code, as amended in 1969,
2 amended, with respect to water pollution control facilities.

3 (b) *In providing for the recovery of costs incurred by the state*
4 *board and regional board pursuant to this section, the state board*
5 *may include in the fee schedule, but is not limited to including, the*
6 *costs incurred in reviewing applications for certificates,*
7 *prescribing terms of certificates and monitoring requirements,*
8 *enforcing and evaluating compliance with certificates and*
9 *monitoring requirements, conducting monitoring and modeling,*
10 *analyzing laboratory samples, reviewing documents prepared for*
11 *the purpose of regulating activities subject to certificates, and*
12 *administrative costs incurred in connection with carrying out*
13 *these actions. The costs of reviewing applications for certificates*
14 *include, but are not limited to, the costs incurred in anticipation*
15 *of the filing of an application for a certificate, including*
16 *participation in any prefiling consultation, and investigation or*
17 *studies to evaluate the impacts of the proposed activity.*

18 (c) (1) *The fee schedule may provide for payment of a single*
19 *fee in connection with the filing of an application, or for periodic*
20 *or annual fees, as appropriate to the type of certificate issued and*
21 *the activity authorized by the certificate.*

22 (2) *The fee schedule authorized by this section may impose a fee*
23 *upon any of the following:*

24 (A) *Any person who files an application for a certificate.*

25 (B) *Any person who files with the state board or a regional*
26 *board a notice of intent to file an application for a certificate, or*
27 *who files with a federal agency a notice of intent to apply for a*
28 *federal permit or license for which a certificate will be required*
29 *under Section 401 of the Federal Water Pollution Control Act.*

30 (C) *Any person holding a federal permit or license for which a*
31 *certificate has been issued.*

32 (D) *Any person required to send a notice of intent to the state*
33 *board or a regional board to proceed with an activity permitted by*
34 *a general permit subject to certification under Section 13160.*

35 (d) (1) *If the state board establishes a fee schedule pursuant to*
36 *this section, the state board shall adopt the fee schedule by*
37 *emergency regulation. The state board shall set the amount of total*
38 *revenues collected each year through the fee authorized by this*
39 *section at an amount equal to the revenue levels set forth in the*
40 *annual Budget Act for this activity. The state board shall review*

1 and revise the fee each fiscal year as necessary to conform with the
2 revenue levels set forth in the annual Budget Act. If the state board
3 determines that the revenue collected during the preceding year
4 was greater than, or less than, the revenue levels set forth in the
5 annual Budget Act, the state board may further adjust the annual
6 fees to compensate for the over or under collection of revenue.

7 (2) The emergency regulations adopted pursuant to this
8 subdivision, any amendment thereto, or subsequent adjustments to
9 the annual fees, shall be adopted by the state board in accordance
10 with Chapter 3.5 (commencing with Section 11340) of Part 1 of
11 Division 3 of Title 2 of the Government Code. The adoption of these
12 regulations is an emergency and shall be considered by the Office
13 of Administrative Law as necessary for the immediate preservation
14 of the public peace, health, safety, and general welfare.
15 Notwithstanding Chapter 3.5 (commencing with Section 11340) of
16 Part 1 of Division 3 of Title 2 of the Government Code, any
17 emergency regulations adopted by the state board, or adjustments
18 to the annual fees made by the state board pursuant to this section,
19 shall remain in effect until revised by the state board.

20 (e) Any fees collected pursuant to this section in connection
21 with certificates for activities involving hydroelectric power
22 projects subject to licensing by the Federal Energy Regulatory
23 Commission shall be deposited in the Water Rights Fund.

24 SEC. 96. Section 79505.4 is added to the Water Code, to read:

25 79505.4. (a) The Legislature finds and declares that the
26 current fiscal crisis requires that the Water Security, Clean
27 Drinking Water, Coastal and Beach Protection Act of 2002
28 (Proposition 50) be administered in the most cost efficient manner
29 consistent with ensuring public participation in the development
30 of program guidelines and outreach and technical assistance to
31 communities throughout the state. Notwithstanding Sections
32 79505.6, 79506.7, and 79575, agencies responsible for the
33 development of guidelines, technical assistance, and reports
34 pursuant to those sections shall use electronic communication,
35 including publication of information on the Internet, shall
36 determine the timing of the development of guidelines, and shall
37 use any and all other efficiencies necessary to provide a public
38 process reasonably calculated to provide access and relevant
39 grant application and award information to interested persons

1 *within the budgetary and personnel constraints imposed by the*
2 *state budget.*

3 *(b) It is the intent of the Legislature that, through the annual*
4 *budget process, there be a review of the progress undertaken by*
5 *state agencies to develop guidelines to implement this division.*

6 SEC. 96. *Section 79505.5 of the Water Code is amended to*
7 *read:*

8 79505.5. As used in this division, the following terms shall
9 have the following meanings:

10 (a) “Disadvantaged community” means a community with an
11 annual median household income that is less than 80 percent of the
12 statewide annual median household income.

13 (b) “Matching funds” means funds made available by nonstate
14 sources, which may include, but are not limited to, donated
15 services from nonstate sources. *However, matching funds for a*
16 *state agency may include state funds and services.*

17 SEC. 97. *Section 1 of Chapter 240 of the Statutes of 2003 is*
18 *amended to read:*

19 Sec. 1. The Legislature finds and declares the following:

20 In order to protect the intent of the voters in approving the Water
21 Security, Clean Drinking Water, Coastal and Beach Protection Act
22 of 2002 (Division 26.5 (commencing with Section 79500) of the
23 Water Code), it is necessary and desirable that, to the maximum
24 extent possible, *and where appropriate*, the following principles
25 apply to the implementation of that act:

26 (a) Guidelines developed for grant and loan programs pursuant
27 to that act shall encourage integrated, multiple-benefit projects.

28 (b) Preference shall be given to funding safe drinking water and
29 water quality projects that serve disadvantaged communities.

30 (c) Programs shall support projects that improve local and
31 regional water supply reliability.

32 (d) For projects that affect water quality, preference shall be
33 given to those projects that contribute expeditiously and
34 measurably to the long-term attainment and maintenance of water
35 quality standards.

36 (e) For projects that affect water quality, preference shall be
37 given to funding projects that will eliminate or significantly reduce
38 pollution into impaired waters and sensitive habitat areas,
39 including areas of special biological significance.

(f) Projects that affect water quality shall include a monitoring component that allows the integration of data into statewide monitoring efforts, including, but not limited to, the surface water ambient monitoring program carried out by the State Water Resources Control Board.

(g) Groundwater projects and projects that affect groundwater shall include groundwater monitoring requirements consistent with the Groundwater Quality Monitoring Act of 2001 (Part 2.76 (commencing with Section 10780) of Division 6 of the Water Code).

SEC. 98. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for certain costs that may be incurred by a local agency or school district because in that regard this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution. In addition, no reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for certain other costs because a local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by the act, within the meaning of Section 17556 of the Government Code.

However, notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars (\$1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

following:

~~(a) When Chapter 840 of the Statutes of 2001 was enacted, the Legislature intended to provide funding to the Supplemental Benefit Maintenance Account in the Teachers' Retirement Fund to mitigate the possibility that the purchasing power of retired members of the Defined Benefit Program of the State Teachers'~~

~~1 Retirement System would be eroded by inflation to less than 80~~
~~2 percent of each member's purchasing power at the time of~~
~~3 retirement.~~

~~4 (b) The Supplemental Benefit Maintenance Account in the~~
~~5 Teachers' Retirement Fund currently has sufficient funds to~~
~~6 provide, through the year 2035, the purchasing power protection~~
~~7 contemplated in Chapter 840 of the Statutes of 2001.~~

~~8 (c) The actuary retained by Teachers' Retirement Board~~
~~9 provides the board with periodic actuarial valuations of the funds~~
~~10 and accounts of the State Teachers' Retirement System, which~~
~~11 provide the Teachers' Retirement Board, the Governor, and the~~
~~12 Legislature sufficient time to address erosions in the funding status~~
~~13 of the system before those erosions have any negative impacts on~~
~~14 the intended benefits of the system's retired members.~~

~~15 (d) It is in the best interest of the people of the State of~~
~~16 California, in this time of fiscal crisis, to recognize the state's~~
~~17 responsibilities as a sovereign state to revise prior commitments,~~
~~18 if that revision does not impair the intent and effect of any~~
~~19 contractual obligation.~~

~~20 SEC. 2.—Section 22954 of the Education Code, as amended by~~
~~21 Section 2 of Chapter 3 of the Statutes of 2003, First Extraordinary~~
~~22 Session, is amended to read:~~

~~23 22954. (a) Notwithstanding Section 13340 of the~~
~~24 Government Code, commencing July 1, 2003, a continuous~~
~~25 appropriation is hereby annually made from the General Fund to~~
~~26 the Controller, pursuant to this section, for transfer to the~~
~~27 Supplemental Benefit Maintenance Account in the Teachers'~~
~~28 Retirement Fund.~~

~~29 (b) The total amount of the appropriation for each year shall be~~
~~30 equal to 2.5 percent of the total of the creditable compensation of~~
~~31 the fiscal year ending in the immediately preceding calendar year~~
~~32 upon which members' contributions are based for purposes of~~
~~33 funding the supplemental payments authorized by Section 24415.~~
~~34 However, for the 2003-04 fiscal year only, that appropriation is~~
~~35 reduced by five hundred fifty-eight million dollars~~
~~36 (\$558,000,000).~~

~~37 (c) The board may deduct from the annual appropriation made~~
~~38 pursuant to this section an amount necessary for the administrative~~
~~39 expenses of Section 24415.~~

1 ~~(d) It is the intent of the Legislature in enacting this section to~~
2 ~~establish the supplemental payments pursuant to Section 24415 as~~
3 ~~vested benefits pursuant to a contractually enforceable promise to~~
4 ~~make annual contributions from the General Fund to the~~
5 ~~Supplemental Benefit Maintenance Account in the Teachers'~~
6 ~~Retirement Fund in order to provide a continuous annual source~~
7 ~~of revenue for the purposes of making the supplemental payments~~
8 ~~under Section 24415.~~

9 ~~SEC. 3. Section 22954 of the Education Code, as amended by~~
10 ~~Section 34 of Chapter 1021 of the Statutes of 2000, is repealed.~~

11 ~~SEC. 4. Section 22954.1 of the Education Code, as added by~~
12 ~~Section 3 of Chapter 6 of the Statutes of 2003, First Extraordinary~~
13 ~~Session, is amended to read:~~

14 ~~22954.1. (a) Beginning in 2006, and every four years~~
15 ~~thereafter, the board shall, based on an actuarial valuation~~
16 ~~approved by the board, report to the Legislature and the Director~~
17 ~~of Finance regarding the anticipated ability of the system to~~
18 ~~provide the purchasing power protection contemplated by Chapter~~
19 ~~840 of the Statutes of 2001 during each year until June 30, 2036.~~
20 ~~The actuarial valuation shall take into consideration all expected~~
21 ~~contributions to the Supplemental Benefit Maintenance Account,~~
22 ~~expected expenditures from the account, and expected investment~~
23 ~~returns.~~

24 ~~(b) On July 30 of the calendar year following any calendar year~~
25 ~~in which the board, as a result of the quadrennial valuation~~
26 ~~required by subdivision (a), reports that the funds in the~~
27 ~~Supplemental Benefit Maintenance Account will be insufficient in~~
28 ~~any fiscal year before July 1, 2036, to provide the purchasing~~
29 ~~power protection contemplated by Chapter 840 of the Statutes of~~
30 ~~2001, there is hereby appropriated from the General Fund to the~~
31 ~~Controller the amount necessary to provide that purchasing power~~
32 ~~protection, as determined by the actuary, taking into consideration~~
33 ~~all expected contributions to the Supplemental Benefit~~
34 ~~Maintenance Account, expected expenditures from the account,~~
35 ~~and expected investment returns, and subject to the limitation in~~
36 ~~subdivision (c). The amount appropriated pursuant to this section~~
37 ~~shall be transferred by the Controller to the Supplemental Benefit~~
38 ~~Maintenance Account upon certification of the amount by the~~
39 ~~Director of Finance.~~

1 ~~(c) The aggregate amount of funds appropriated pursuant to~~
2 ~~subdivision (b) is limited to an amount equal to five hundred~~
3 ~~fifty-eight million dollars (\$558,000,000) adjusted by the actual~~
4 ~~rate of return on funds in the Supplemental Benefit Maintenance~~
5 ~~Account from July 1, 2003, after taking into account any amount~~
6 ~~previously appropriated pursuant to subdivision (b). In calculating~~
7 ~~this limit, the sum of five hundred fifty-eight million dollars~~
8 ~~(\$558,000,000) shall be treated as an initial principal amount, and~~
9 ~~this amount shall be adjusted at the end of each fiscal year based~~
10 ~~on the actual investment return of the Supplemental Benefit~~
11 ~~Maintenance Account during the preceeding fiscal year and shall be~~
12 ~~reduced by any amounts appropriated pursuant to subdivision (b)~~
13 ~~as of the date of the transfer.~~

14 ~~(d) This section shall become inoperative on July 1, 2036, and,~~
15 ~~as of January 1, 2037, is repealed, unless a later enacted statute that~~
16 ~~is enacted before January 1, 2037, deletes or extends the dates on~~
17 ~~which it becomes inoperative and is repealed.~~

18 ~~SEC. 5. This act is an urgency statute necessary for the~~
19 ~~immediate preservation of the public peace, health, or safety~~
20 ~~within the meaning of Article IV of the Constitution and shall go~~
21 ~~into immediate effect. The facts constituting the necessity are:~~

22 ~~In order to address the fiscal crisis facing the state in the~~
23 ~~2003-04 fiscal year, it is necessary that this act take effect~~
24 ~~immediately.~~
